

**SUBURBAN
GROUP PLAN
BIG MEETING****Officers To Be Elected
May 10; To Lead in
Home Rule Fight**

With local elections in Cook county municipalities out of the way for this year, and as a result of these elections the executive committee and official board of the organization remaining intact, to head the battle to retain Home Rule, the executive committee of the Suburban Area and County Towns Association of Cook County, Inc., is prepared to carry on with renewed vigor its effort to prevent legislation which would encroach upon rights of Cook county municipalities to rule themselves on matters of purely local concern.

Annual Meeting in May

The Association is looking forward to the annual organization meeting which will be held in Oak Park, Wednesday, May 10, the by-laws of the association calling for the annual meeting to be held the second Wednesday in May, but when this date was fixed it was overlooked that the organization of a majority of the councils in the county take place on that evening. So a few of the executives will be at Oak Park to convene the meeting in accord with the by-laws on Monday, May 8, and will then adjourn until Wednesday, May 10, when the actual business of the association will be transacted.

There will be several educational features on the program. All civic organizations of the county and taxing bodies are invited to send representatives to the meeting whether members of the association or not. An opportunity will be given to those who desire to join the association in the cause of the preservation of home rule to attend the meeting and become affiliated with the organization. This includes park districts, township boards, school boards and organizations of every kind interested in civic affairs.

The executive committee which nominates officers have named the following for submission to the convention:

President, Walter P. Saunders, president of the village of LaGrange, and executive vice president since the formation of the organization.

Vice Presidents, Charles H. Bartlett, president during the present year and Mayor of Evanston; Henry W. Tolsted, president of the village of Maywood; Frank Kasten, mayor of Blue Island; George W. Mulrone, trustee of the village of Elmwood Park; William A. McKee, mayor of Park Ridge.

Secretary, Jacob E. Dittus, attorney for the village of Maywood.

Treasurer, George R. Gold, mayor of Forest Park.

For the executive committee it is planned to have submitted to the association a proposition to increase the membership from five to ten members in addition to the officers.

Those nominated are:

Charles F. Baumrucker, president of the village of River Forest; William Brooks Moulton, president of the village of Winnetka; W. Frank Walkowiak, publisher, Summit; D. A. Nieldfield, president of Cook County Farm Bureau; and J. W. Mahaffay, mayor of Palos Park.

Should the association agree to the increase of the membership of the executive committee, the following names will be presented: Joseph Cerny, mayor of Cicero; Frank Bruggemann, mayor of Harvey; Willis McFeely, president of the village of Oak Park; Julius D. Plentie, president of the village of Arlington Heights; and Frank Novotny, mayor of Berwyn.

**Mr. and Mrs. Landmeier
Celebrate Anniversary**

April 22, 1933 in the Elk Grove school house beginning at 6:30 p. m., a memorable event was celebrated the 25th anniversary of the marriage of Mr. Barney Landmeier and his wife Caroline, nee Garlich. Over 200 guests had been invited who filled the spacious rooms of the school house at the appointed hour.

The venerable couple surrounded by their children, Harvey and his wife, Esther, Evelyn, Clarence and little Roger, were attended by the witnesses of 25 years ago. Fred Heuer, John Garlich, and Mrs. Martha Kranz, nee Garlich.

Rev. H. L. Barth of St. John's church had charge of the religious services. Mr. Albert Landmeier and Mr. Alfred Landmeier sang two duets: "The Sweetest Story Ever Told" and "I'm Afraid to Come Home in the Dark" which were well received. After the religious observances, all went to the dining room where a delicious repast was served.

The music for the evening was furnished by the Heinie Bros. which all enjoyed immensely. Dancing was the feature of the evening.

Mr. Landmeier is a staunch member of St. John's church, being a member of the Council, and Mrs. Landmeier is a teacher in the Sunday school. Let us hope that the venerable couple may live to celebrate the 50th anniversary of their jubilee.

**ARREST THREE
NILES CENTER
BANK ROBBERY****Local Police Department
Perseveres Until Re-
sults Follow**

A solution of the robbery of the First National Bank of Niles Center, and of the fatal shooting of the cashier, Harry Mueller of Morton Grove on April 7, appears to be about complete, due to the persevering efforts of Chief of Police Charles Holmes of Niles Center. He cooperated with Chicago police and Captain Dan Gilbert, chief investigator of the state's attorney's office, and was assisted by Sergeant Jacob Barg and other members of the Niles Center police department.

Three of the four bandits are believed to be men in custody by Chicago police, and a fourth is being sought. While at the Chicago detective bureau, one of the captured suspects, John Scheck, aged 21, 5040 Wellington avenue, Chicago, made an attempt to escape, and shot a detective in the ankle. Chief Holmes being present, overpowered the prisoner before he could fire again.

Scheck and Frank Kogelwitz, 24 years of age, 2831 Northman avenue, Chicago, were told on by one Carl Grundhofer, 26 years of age, living at 3307 N. Keating avenue, Chicago.

Officers in the bank and other witnesses to the robbery have identified them as the robbers. These witnesses include Leonard Bauman, assistant cashier, Miss Jeannette Reusch, clerk; John Meier, Tensville village clerk, Mrs. John Meier of Niles Center, and Gilbert Juern, Morton Grove.

Arrest followed after Scheck paid \$1,100 cash for a new car. Grundhofer, associate of Scheck, when questioned, confessed, and said that Scheck had held out \$2,000 which he had not split with the others; that the amount split was only \$3,000, each partner getting \$750. The amount taken from the bank was \$4,969.84, a check-up showed.

Regarding the shooting, in which the cashier was fatally wounded when he entered the bank after lunch, just as the robbers were going out, Grundhofer, who was on guard at the door, said Mr. Mueller was shot when his gun went off "accidentally."

**To Celebrate Golden
Wedding of Mr. and
Mrs. Adam Weidner**

On Monday, May 1, Mr. and Mrs. Adam Weidner will celebrate their golden wedding in St. Mary's church, Buffalo Grove.

Solemn High Mass will be sung by their oldest son, Rev. Martin P. Weidner, assisted by Rev. Chas. Mertens of Buffalo Grove, and Rev. A. J. Vollman of Joliet, Ill. Sister Mary Cordelia of Cleveland, Ohio, and Sister Mary Estelle of Columbus, Ohio, two daughters, who are Franciscan nuns, will also be present. Besides the other four children and their families will take part. They are Carl T. of Wheeling, Dr. Hubert of Chicago, Gerald A. of Chicago and Mrs. Edith Hertel of Wheeling. All seven children are living, also 8 grandchildren.

Both Mr. and Mrs. Weidner were born at Wheeling and have always lived there. Mr. Weidner has owned and worked his own farm the entire 50 years of his married life—perhaps a record for Cook county, if not for the entire state. Both are well and still active in farm work.

The golden wedding dinner will be held at noon in the Union Hotel at Wheeling where a large gathering of relatives and friends are expected. In the evening a general reception for all old neighbors and friends will be held at the Weidner farm on the McHenry road near Buffalo Grove.

**LEE INDICTS
ATTITUDES OF
BIG BUSINESS****Unsocial Actions One
Cause of Depression
Economist Says**

(Mt. Prospect Review)

What caused the depression? Technological developments in this country as well as in the world, plus a disregard on the part of "big business" for the ordinary Christian morals of conduct, is the charge of Dr. Judson F. Lee, economist, who expressed his views in detail at the Sunday Evening Club this week.

He will continue his presentation of his version of the causes of the present breakdown in the economic system which reached the height of its momentum in 1929, at the next meeting of the club next Sunday evening. All interested residents and guests in Mt. Prospect are cordially invited to attend.

Dr. Lee introduced his opinion with the expression of his belief that the depression was not caused by any one single factor, such as the much talked of technological unemployment and other developments. The technocrats, he explained, have some basis for their beliefs, but it is his conclusion that this factor was but one while the other main cause was the "utter unsocial attitude and actions of the larger business interests." This attitude has been existing during the upbuilding of the large business interests and was an important factor in the rapid breakdown of the years following the first stock market collapse in October 1929, he said.

Details of Operations

Dr. Lee's indictment of those business interests which he charges with an un-Christian and antisocial attitude was complete and replete with details of methods and operations used by many of the outstanding business organizations that have ceased operations during the last few years.

His first address Sunday evening dealt chiefly with five main evidences of moral delinquency in business.

For instance, he pointed out the almost universal practice of real estate brokers who habitually issued and sold bonds amounting to more money than the buildings constructed. In many instances he said, the contractors made huge sums, the owner came into possession of the property without investing one cent of cash, and the bond holders made fat commissions. The capital was provided by bond buyers and the interest and principle was met by excessive rental charges. When lower rates inevitably arrived the entire financial structure, so built up, collapsed like a house of cards and left the bondholders with little or no equity.

Costly Receiverships

Furthermore, in case of foreclosure, Dr. Lee pointed out, there have been enormous and excessive costs of reorganization. The excessive costs went to receivers, lawyers and accounting firms. As an example Dr. Lee cited one case where the cost of receivership was \$146,000. Later a court found that the receivership had been handled properly the cost should not have been more than \$12,000.

Another practice denounced by Dr. Lee was that of purchasing corporations by bond and financing houses at certain prices and then immediately issuing bonds for more than the actual value of the business. He cited as an example the purchase of the Dodge Brothers automobile business by Dillon Reed and Co. for \$146,000,000. Dillon Reed and Co. immediately sold bonds to the amount of \$161,000,000, leaving a neat profit in addition to commissions, of \$15,000,000.

Another breakdown in business morality was cited by Dr. Lee who told of an underwriting concern that advertised and gained the confidence of the public by its record of never handling a stock or bond issue that had not paid dividends or interest for 35 years consecutively. This business, during the boom years in the late 'twenties sold overvalued securities to anyone who would buy.

Withholds Important Facts

Still another instance of the moral breakdown in business during the depression years, Dr. Lee said, was that of a large New York banking institution that deliberately withheld important information regarding a bond issue that would materially reduce the market value of the bonds. Yet, at the same time, this bank was recommending the purchase of these bonds to its customers.

All business institutions, Dr. Lee declared, have a three-fold obligation to the stockholder, to the worker and to the public. If they discharge all of these obligations a business deserves to prosper.

Dr. Lee called attention to the fact that the interests of both capital and labor are much more identical than the public ordinarily thinks.

This subject will be discussed again next Sunday evening and Dr. Lee will probably spend the greater part of his time answering questions that may be brought up by his listeners.

**Minstrel Show
Thursday, May
4th to be Good**

A very enjoyable minstrel show, "Southern Hash," is to be given at 8 o'clock next Thursday evening, May 4, at the Presbyterian hall in Arlington Heights, by members of the Arlington Heights Masonic lodge. The jokes are clean and very funny, according to the director, Judge Wm. E. Kopplin, who is assisted by Miss Fern Lorenzen. There will be opening and closing choruses, jokes and songs by the men and a regular good time for everybody who attends.

The second part to be a representation of a meeting in the lodge hall of the "Royal Order of Ham and Eggs," as a climax of the evening.

Admission is free, open to all Masons and their friends and families.

The report that this entertainment was called off by the minstrel show and it is going to be good and funny.

**MUNICIPAL BAND
TO MEET TUESDAY,
WANT MORE TALENT**

The Arlington Heights Municipal Band will resume regular rehearsals next Tuesday evening, May 2, at the Village hall, under the direction of Mr. H. C. Landeck.

New talent is especially desired. Anyone interested in band music is invited to come to the rehearsals.

Last year the band slumped due to lack of financial support, but the boys are now enthusiastic about another season's work, and are going ahead whether they get financial support from the village or not. They hope for a good turnout next Tuesday evening.

**Officer Sprinks
Of Wheeling Nabs
Two After Banditry**

Quick work in arrests after a robbery at Ballard and Cumberland roads occurred Sunday afternoon when Officer Edwin Sprinks of Wheeling heard a flash from the County Highway police and about an hour later gave chase through Wheeling to a Ford coupe which proved to contain two men with firearms, answering the description of those robbed, and later identified by the victims of the robbery.

The officer's story follows: "April 23, at 1 p. m., Sergeant La Verne Rowder of the County Highway Police sent a police radio flash to be on the lookout for two men in a Ford coupe who had just robbed four men in a sedan at Cumberland and Ballard roads, taking \$17 from the occupants, then threatening them with shotguns and two pistols.

"At 2 p. m. I sighted a Ford coupe and thru the descriptions I gave chase thru Wheeling and arrested two men, with a loaded shotgun and two pistols, who have been positively identified by their victims. The men's names are:

"Cliff Ryan, aged about 35 years, and Teece Keegan aged about 40 years, both of Leyden township. I turned both prisoners over to Sergeant Rowder. The prisoners were held for \$10,000 bail for highway robbery with a gun."

**Tea to be Served,
Gowns to be Modeled,
Emerald Shop Opening**

At the formal opening of the Emerald Shop at their new location formerly occupied by the Davis store in Arlington Heights, to be held today (Friday) and tomorrow, tea will be served during the two afternoons from 2 to 5 o'clock, also Saturday evening after 7:30 o'clock.

Frocks will be modeled during the tea hours Friday and Saturday afternoons.

A small and convenient men's department has been installed in the store. The latest and best spring clothes were procured for showing at this formal opening. All are invited whether in position to buy or not.

**Old People's Home
Financial Report
Is Encouraging**

The Evangelical Lutheran Old People's Home in Arlington Heights is pulling through the depression well, according to a financial report given delegates from the some fifty member congregations of the Missouri Synod meeting Monday night at the Hotel Sherman in Chicago.

Receipts for the past year were \$36,644; expenditures \$33,557, the secretary, Rev. A. B. Wangerin, reported.

**Father of County
Commissioner Byrd,
Is Passed Beyond**

County Commissioner Homer J. Byrd was called away over Sunday to attend the funeral of his father, Mr. Andrew Jackson Byrd, at Bluffton, Indiana. The elder Mr. Byrd passed away Friday at the age of 70, leaving eight children. He was a descendant of Col. William Byrd, who settled in Virginia in the year 1640.

**BOMB ROCKS
COUNTRYSIDE;
WRECKS PAVEMENT**

The bombing of a concrete mixing and paving machine about 1:05 a. m. Wednesday at Wolf and Foundry roads, made a blast felt for miles around. Parts were blown over a radius of 450 feet. The bomb had been placed deep in the machine underneath the drum, so as to cause the most destruction possible, the motor of the machine being included in the damage.

The machine had stood all winter at the same place by the barnyard of Mike Zeravich, tenant on the Lauer farm. The blast rocked the house as with a tornado, broke windows, and caused articles in the house to move from one place to another.

The paver belonged to the Minder Construction company of Chicago. Another machine standing near MacDonald road, about a mile north, belonging to the Pickus contractors was bombed about the same time.

**VETERAN FIRE
DEPT. CHIEF
IS HONORED****W. G. Ost Retires; Term
of Father and Son
Over 40 Years**

Wm. G. Ost, veteran member of the Palatine Fire Department over a quarter of a century, was elected honorary fire chief and presented with a gold badge last Friday night by that body. It marked the culmination of an Ost reign in fire department affairs that started 40 years ago.

During all these years a Chief Ost has been at the head of the fire department. The late Chas. W. Ost, father of W. G. Ost, became fire chief in 1893, serving until 1916, when his son, who had been his assistant many years, was elected to the high post.

History repeated itself last Friday night when the fire department presented the token of meritorious service, an honorary fire chief badge suitably engraved to Mr. W. G. Ost. A similar badge in the form of a watch chain had been presented for a similar reason to his father 17 years ago.

That chain was worn by Mr. Ost that evening when he unexpectedly attended what he thought was his last fire meeting. Following the business session, it was suggested that the newly elected fire chief take the retired chief up on his last fire truck ride. That ride ended at a local tea room where a surprise chicken dinner provided by the Des Plaines, Cook County Mutual Fire Insurance Co., awarded Mr. Ost and the members of the company.

**McIntosh Offers
Free Gardens
to Local People**

Wm. H. DePue, local representative of Arthur T. McIntosh & Co., says that Mr. McIntosh has set aside a few blocks of property on Hellen road west of the bridge and anybody living in Palatine who wants a garden can have free use of one of these lots for gardening. A person willing to avail themselves of this opportunity, can do so by calling on Wm. H. DePue, Chicago avenue and Northwest highway.

**Date Set for Visit
To Century of Progress;
All School Children**

Friday, May 12 will be a red letter day in the lives of school children of all the schools of Cook county, for on that day they are the guests of the Fair association. City, parochial, rural and village pupils are invited. Pupils, teachers and drivers of cars transporting children will be admitted free to the grounds. Undoubtedly the fair will be the finest ever seen by young or old, and it is a treat the children will think and talk about the rest of their lives. Parents are urged to cooperate with County Supt. Aken and the teachers in making this day a real success.

At 11 a. m. a pageant will be staged by the Morton Grove Public School depicting the "Achievement Work" of the Cook county schools. This will be held at the front of the Hall of Science facing the lagoon. Following the program everyone is free to roam about at will.

**IT IS A RUMMAGE SALE
THIS TIME AT HAGENBRING'S
ARLINGTON HEIGHTS STORE**

Mr. Hagenbring has offered many special sales to his customers, but this week on page 8, he is offering a sale that is something different than the others. He calls it a Rummage Sale and in it he has placed all of his odds and ends and priced them so low that they ought to move quickly. Whether or not you make a practise of patronizing sales at the Hagenbring store, you ought to be sure and look over that advertisement. You will certainly desire to avail yourself of the bargains offered therein.

**FIND PERFECT
SPELLERS, MAY
TOP COUNTY****Division Finals Today,
Declaration, Posters,
Arlington H. S.**

The Hanover Township Spelling Declaration and Health Poster contests held at Ontarioville on Friday, April 21, in which eight schools participated, revealed two perfect spellers, whom Director of Education Noble Puffer was unable to get "spelled down." The two girls, Rose Mills and Marjorie Leedle, spelled every word perfectly, including such four and five syllable words as: Adolescence, ameliorate, truculent, beneficiary, succinctly, reversion, and rendezvous. Both girls were pupils of Mrs. Elvina Brandt of District 49, Bartlett, and from present indications may be the next county champions. They gave a remarkable demonstration of their spelling ability before the assembled teachers. The final list from which they spelled was the one used in the finals of 1932 which even the county champion could not spell perfectly, and they spelled every word easily and promptly.

The results in the various contests in that township and Wheeling follows:

Hanover Twp.—Spelling
1st and 2nd, Marjorie Leedle, Dist. 49 and Rose Mills, Dist. 49; 3rd, Flora Meyer, Dist. 42.

Poster
First, (Painted), Karlita Auer, Dist. 42; 1st (cut and pasted), Marion Adams, Dist. 49.

Declaration
First, Hazel Esch, Dist. 49.

Wheeling Township
First, spelling, Ethel Stavros, Dist. 20; 2nd, spelling, Wm. Blah, Dist. 20; 3rd, spelling, Dorothy Utpatel, Dist. 21; 1st, poster (painted), Anna Havgena, Dist. 26; 2nd poster (cut and pasted), Bernice Grant, Dist. 22; 1st declaration, Marie Van Dyke, Dist. 20.

Division Finals Today in Arlington Heights High School

The division finals of Division One of the Cook County schools embracing Elk Grove, Wheeling, Palatine, Schaumburg, Barrington and Hanover townships, in Declaration and Health Posters, will be held at the Arlington Heights Township High School today (Friday) at 1:30 p. m. Six township champions in declaration will compete and six township champions in the two poster classes will exhibit their posters. Parents and friends are all cordially invited to be present.

**Lake Shore State
Teachers' Meeting
Very Well Attended**

Before the largest group of teachers ever assembled in a Lake Shore meeting of the State Teachers' association, Wm. T. Foster, director of the Pollack Foundation for Economic Research, and Rufus Von Klein Smidt, president of University of Southern California, gave inspiring addresses.

In the business session at the close of the meeting a resolution was passed urging the seeking of a loan from the Reconstruction Finance Corporation, using warrants as collateral with which to pay up back salaries of teachers.

Among the new group chairmen elected for the coming year was Noble Puffer, director of education of Division One schools, who was elected chairman of the Rural Teachers' section.

**Daylight Savings Time
Next Sunday Morning**

As usual on the last Sunday in April, Daylight Savings Time will begin next Sunday morning, and those who wish to get to church will want to set their clocks accordingly.

**Annual Athletic
Banquet Reservations
Can Be Made Now**

As was announced last week the Pal. high school athletic banquet will be held in the Methodist church dining room Friday, May 5th, at 6:30. This banquet is open to the public and tickets are now on sale at 50c a plate. The ladies are asking that you kindly make your reservations by noon Thursday, May 4th. Reservations can be had from either of the ladies or from the high school from Mr. Butler or Mr. Megel.

In addition to the banquet a suitable program is being arranged. The committee has secured three people from the School of Speech of Northwestern University who will appear on the program.

The presentation of letters will be augmented by several other awards, some of which are new this year. Notable among these presentations will be the certificate to the National Athletic Scholarship Society. This society is organized for the purpose of stimulating scholarship among high school athletes. Eligibility for membership is available to any boy who makes an athletic letter in one of the four major sports and whose grade average for three consecutive semesters is equal to or above the general school average.

**"Skidding" at
High School
This Evening**

"Skidding," a delightful comedy in three acts, will be presented by the senior class of Arlington Heights Township High School on Friday, April 28, at 8:15 o'clock in the high school auditorium. The play, under the direction of Miss Marion L. White, promises to afford good entertainment with its humor and pathos mingled in just the right proportions.

Marion Hardy, a modern college girl, falls in love with Wayne Trenton just as a career is opening to her. Then there are the two young daughters, who chose to marry before they had finished their education, and Mother Hardy, who goes on a strike in order to straighten out her family. Young Andy Hardy keeps the audience in a gale of merriment, and Grandpa Hardy touches the heart with his absent-mindedness.

The cast is as follows:

Marion Hardy—Marjorie Gieseke.
Mrs. Hardy—Mary Edith Parke.
Estelle Hardy Campbell—Elvera Landmeier.
Myra Hardy Wilcox—Lydia Gehrke.
Grandpa Hardy—James Kellogg.
Mr. Hardy—William Rateike.
Andy Hardy—Charles Renner.
Wayne Trenton—Robert Roth.
Mr. Stubbins—Leland Helwig.
Aunt Milly—Dorothy Landeck.

**Evangelical Federation
Meeting Well Attended**

The Spring meeting of the Arlington Heights federation of Evangelical women, which was held last Thursday, April 20, at Hanover church, was very well attended, there being 206 who registered. The members of Hanover and Rev. and Mrs. Meyer proved themselves as very good hosts and hostesses and the day will long be remembered by all who attended.

The district president, Mrs. E. H. Eilers, was the speaker on the morning's program. Her address was based on the practical work of the six departments of work. The delegates and members of the local societies received advice and encouragement to carry on their work, for high aims in spiritual building. The first that is necessary being education, which should develop religious living, being missionary minded, recognizing stewardship, engaging in welfare work, and being mindful of our duties in Christian citizenship.

In the afternoon, Miss Hedwig Schaeffer, a missionary on furlough from India, spoke on the Synodical emphasis: "The World Task of the Church," from the angle of missions. She said that the churches do not only give toward missions, but also receive encouragement and enlightenment in doing missionary work. She also told of her personal contact in work with Mrs. Katherine Goetsch, in whose memory the Evangelical Women's Union is contemplating to erect a bungalow for missionaries in India.

The fifth national convention of the Evangelical Women's Union will convene at Buffalo, N. Y., on June 27-30. Several local societies will be represented by an official delegate and visitors. Mrs. Bertha Voeks, the president, or Mrs. Anna Magers, the secretary of the federation are to represent the Arlington Heights federation.

The summer meeting of the federation will be held at Plum Grove, Rev. Buehler, pastor, near Palatine in July. The fall meeting will be held at Bensenville, Rev. Wagner, Pastor.

**Arlington Heights
Cemetery Meeting
Next Monday Night**

All who have lots in Arlington Heights cemetery and who therefore are members of the Cemetery association, should remember the meeting to be held at 8 next Monday night at the Arlington Heights State bank.

The care of the cemetery, the keeping of the records, and sending assessment notices need attention at once, and especially now, as Mr. E. N. Berbecker, who has done so much of the work, has himself passed away. It is now necessary to organize an essential care of the cemetery, its records and financial upkeep.

**George Klueg Back
With the Chevrolet**

George Klueg, who probably knows as many car owners as anyone in the Arlington Heights territory, is back selling Chevrolet cars and he says it seems like home. Mr. Klueg started out selling with Chevrolet and his voice has a new ring of sincerity when he extols the values that are to be found in that General Motors popular priced car. Mr. Klueg says that he knows a lot of people have been making their auto last longer than in former years, but even good autos will wear out and there are lots of people who will be in the market for new cars this spring. The Chevrolet is giving more today for the money than at any time and George means to tell the world about it.

**SCOUT FIRST
AID TEAM WINS
SECOND IN AREA****Niles Center Boys Meet
Winners from Hundreds
Of Miles Around**

The Boy Scout first aid team from Troop 15 of Niles Center, representing the Northwest Suburban Council in the Chicago Area Contest held at the University of Chicago last Friday evening, came away from the event with second honors. Finishing just ten points behind the winners, a team from the southwest district of Chicago, the local team brought back the second place medals and the Patten trophy as the winning team among those from the north and northwest councils. This team won the privilege of representing the council at the area contest by finishing first at the contest held at the Community church in Park Ridge recently. It is the second time that they have won the local event but the first to win honors at the area contest. Competing against them in Chicago were winning teams from all Chicago districts, Suburban councils and many communities from the middle western states. The team coming the greatest distance was from Cedar Rapids, Ia.

Sixteen Teams in Contest

There were sixteen teams in all in the big contest at Bartlett Gymnasium. Four different first aid problems involving practically every type of first aid treatment constituted the competition. Each of the four team members had an opportunity to be the team's leaders in one of the problems. Members of the American Red Cross Uniformed Corps acted as judges and graded the teams upon the correctness and efficiency of their diagnoses and treatment. The local team was one of two to get a perfect rating upon the first problem. 94 was the score made on the second trial. The third and most difficult of the evening's problems brought them an 82. They closed with a rating of 92 on the final attempt. This gave them a total of 368 out of a possible 400. Troop No. 608 of the Southwest District of Chicago amassed a total of 378 to win the event. Third honors went to Troop 47 of Chicago's South central district.

**Honored at Leaders' Training
Course**

Members of the local team and their leaders were honored at Wednesday's session of the University of Scouting at the Des Plaines Congregational church, where they gave demonstrations and instructions before the approved group. They were S. A. Stenson, scoutmaster; R. D. Grubb, assistant scoutmaster and coach of the team and scouts Robert Von Gillern, Louis Falzer, James Garner, Arden Erdman and Harold Risinger. They are the third team from the local council to become holders of the Patten Trophy. Troop 12 of Des Plaines won it in 1929 and Troop 1 of Park Ridge in 1930. The past two years it has been won by nearby councils.

**Search for Bridal
Gowns; Find Romance**

Romantic and historically interesting data concerning local history is being uncovered daily by the ladies of the Fidelis Circle who are sponsoring the presentation of "The Pageant of Brides" to be given at the Methodist church on the evening of May 5.

Old trunks and remote corners of attics are bringing forth wedding gowns of many generations. Toe tip white satin, sedate dark wools, shower bouquet and prayer book, short skirts, trains, bustles, crinolines—all the fashionable fashions of the last century will make this event one of the most interesting functions ever held in Arlington Heights.

More than forty gowns will be modeled by local women and young girls. In addition there will be little flower girls, maids of honor, and everything that makes up a formal church wedding. According to Mrs. Best, general chairman, an unusual amount of interest is being displayed by everyone in the coming event. Doubtless many beautiful memories will be brought vividly to mind as the pageant progresses and it is the hope of the sponsors that a pleasing and lasting picture of the passing years will be seen.

Special music and decorations have been provided.

**Mother and Daughter
Banquet May 3rd at
Methodist Church**

The Mothers' club of the Methodist church of Arlington Heights, will give a mother and daughter banquet in the church dining room Wednesday, May 3, at 6:30 a. m. Tickets may be bought for 25 cents from any member of the club. All mothers and daughters of the church and community are cordially invited to attend a very good dinner and an interesting program planned.

OBSERVER'S NOTES

Editor's Note—The Observer's Notes published herewith were written for April 1st issue, but were crowded on account of excess political matter.

Spring comes, bringing Robin's song.

To cheer this gloomy world of ours; While April comes smiling along Her apron full of flowers, Welcome to the song that cheers, Welcome April's flowers and tears, Flowers of truth and justice start At their call from every heart.

There it is. The material things that we see are not the things that most make for great things in this world. The affect of kind words, a friendly act or a bird's song. The invisible forces that most affect our lives.

Money and things money controls are not our most precious possessions God gives us here below. It is too oft regrettable in these troublous times that we place too much value on the seen material things, and forget the invisible, which are most for our joy.

We hear that the Busch family who were such kind neighbors and pleasant people to meet, are now down in Florida where they have a parcel of ground with large trees and they had strawberries long ago. They have set out more trees and improved this new home in the southland.

Sorry to lose them, yet glad to hear of their pleasant location. Mrs. Busch' mother, Mrs. Bentley, returned to her home in Wisconsin. She was a pleasant, gentle person to meet and we are sure their neighbors miss the Busch family much.

Speaking of things of great value, did you hear at one of the recent Seth Parker neighborhood meetings, they all admitted they had no money to contribute? So when the collection was taken, each one was asked to give of such as he had to offer of his stock in store, or of his act of human kindness and I'm sure God blessed their offerings and so did those who received of their kindness.

Proving again money is not our greatest possession. A smile, a kind word, a kind deed, to help and encourage another, is of intrinsic worth. Here we go "preaching." No more of it, leave that to those who are protected in their pulpits and scarcely dare even at that. For me I would prefer a soap box.

Last week the Ever Ready and the Ideal club united in procuring a birthday gift of a canary bird and cage for their generous, helpful friend, Mrs. Hermann. It was a thought prompted by love and the hope that the bird's song of cheer would be a constant reminder of her friends with whom she has joined in many helpful works.

This is the song her bird will sing As he smooths his ever-fluttering wing; Rippling his notes for each high ideal, This loving group in their lives reveal; Loving hearts that long to be helpers for all humanity, List as the song would sweetly reveal, Greetings of love from this group ideal.

This is the song her bird will sing, In cadence clear to ripple and ring; Or hushed in melody bringing to you The wish of the Ever Ready to do, May her bird's song help her understand, The love of the Ever Ready band, May her bird in harmony ever blend, To tell her these groups unite As one friend.

One of our shoemakers has accomplished an unusual feat in making shoes for an animal with "four feet." Nothing unusual in the days when our mayor's father, Blacksmith Flentie, and our neigh-

bor, Edward Greenburg, used to shoe horses. But this shoemaker we mention here made with the aid of a pattern skillfully drawn by Mrs. Hofstetter, four shoes for the feet of Ferdinand Hofstetter's dog, Ranger, to follow his master to the coast heralding A Century of Progress. The shoemaker is Rizzo—you know him.

What sort of recollection Will your neighbor have of you; Are you always kind and cheery In things you say and do? Does one come in the night time, Imploping help or bread, As the man the Bible tells of, Does he go hungry instead?

Has the public learned to trust you And to seek your clearer sight, Relying on your judgment, And your standards for the right? Do you value truth and honor More than wealth or earthly fame; Will you win deserved remembrance For a clean, untarnished name?

Do you prize God's greatest blessing, That to man He here can send, In your days of grief, or gladness, Are you loyal to your friend? Do you give that friend the fullness Of a true and faithful part? Then be sure you'll have remembrance, That will touch each human heart.

Still the public friend or neighbor, Or on life's ocean, are as foam, Beside the deeper soundings, That will test you in your home. What sort of recollection Will your children hold of you?

Are you always in their presence, Patient, kind, unselfish true, Do you live your high ideals, And by your example teach Lessons that will guide and lead them?

Your desired goals to reach? If you long for kind remembrance, From the friends today, you see Let the life you wish them Be all you wish them to be. Elinore Crisler Haynes.

Mr. Herman Kossack, Father of Minister, Passed from Earth Life

Rev. H. A. Kossack was called to the death bed of his father at McGregor, Iowa, Wednesday, arriving a few hours too late to see his father alive. He had visited him about three weeks ago, when he was stricken by a fatal heart trouble with no hope of recovery. The funeral was held in the First Congregational church of McGregor, Friday afternoon at two o'clock. The service was conducted by Prof. W. C. Laube, a lifelong friend of the Kossack family, who was for many years, connected with the college at Dubuque, Iowa. He had preached the funeral sermons for Mr. Kossack's mother and also his grandmother.

Four of Mr. Kossack's children were present at the funeral, also his brothers from St. Paul. Mr. Kossack's mother died two years ago; since that time his father had lived on in the family home. In keeping with the thoughtful method of his character, when he heard that he had but a brief time to stay, he set his house in order, both material and spiritual. His son tells it was pathetic to note all this in the care with which his father had laid out on his table the family Bible, clippings of interest to his children, his credentials and finally his barber equipment, all in order, finally not to be forgotten, his fishing tackle; taking with him to the hospital his best reading glasses and his Bible. It was comforting to Dr. Kossack to have six of his church men motor up to be with him at his father's funeral.

Two cars conveyed them, Martin Fehlman, H. M. Blume, Charles Peterson, H. R. Franke, E. C. Wilke, and Charles Pohlson, Jr. The Presbyterian congregation, as well as the whole community sympathize with this faithful pastor in the loss of his good father. Yet rejoice that he is only lost for a little while here below.

VOICE OF THE PEOPLE

To the Cook County Herald, Gentlemen:

As a taxpayer of Arlington Heights I am very much interested in the question stated below:

1. Knowing that there are some objections filed against the special assessments of the large sewer and pending in Court, I would like to know if the court has reached a decision in this matter?

2. Is it a fact that certain taxpayers favor to have these objections set aside, taken out of court to allow the general contractor to make direct settlement with objectors?

3. How would this effect all other taxpayers who have not objected and have paid their installments promptly?

Would appreciate if you publish this in the "Voice of the People" in your edition as there might be someone who may enlighten us all on this subject.

Signed: J. W.

Local Ping Pong Tournament Success

Surpassing all expectations in attendance and participation a new local event was inaugurated by the M. E. church when it conducted a ping pong tournament in the community hall last week. Sixty entrants made up the opening round, the winners going on to second round matches and the losers entering the consolation tournament. There were twelve entries made for the women's meet. Sixteen doubles teams also were made up from among these seventy-two players. Seats were filled every night by spectators and at times standing room was at a premium.

In the major event J. H. Kincaid was winner after several hard fought matches. He beat Ed. Nelson, S. Pate, Geo. Davidson and W. Vanderbeek in that order to enter the finals. His last opponent was Glen Benson, who also had a hard row to hoe in coming through. Benson's victory over W. C. Hanauer was close, as were his wins over M. Prellberg and Leslie Moodie. The semi-final match with Moodie was the thriller of the meet, ending when Benson, needing one point to win the deciding game, and leading only by one point, smashed the ball straight down the fairway for a victory.

The final match between Kincaid and Benson presented great contrast between two styles of play. The winner's machine-like returns of hard smashes and easy cuts alike enabled him to secure three games out of four. Other features were Don Hanauer's surprising upset of W. Diederich, Billy Miles' two-game win over Hackbarth, Vanderbeek's win over Sebastian, and his loss to Kincaid. Two other good matches returned Billy Miles a winner over Robert Mueller, and Les Moodie over Don Thaly.

In the women's tourney, Bernice Diederich was overwhelming favorite and winner. Her hardest match was in the first round against Merle Meincke. Loraine Nelson marched through all opposition until she met Miss Diederich in the semi-finals. The other finalist was Jean Hanauer who played a fine, conservative game, which carried her far but was not good enough to cope with the speed and accuracy of the champion.

Ed. Adam won the consolation tournament, beating George Kincaid in the final round. His most difficult match was in the semi-finals against Ellsworth Meincke, whose drives and cuts were always dangerous, but who found too much trouble with Adam's cut shots. Miss Diederich teamed with her brother, William, to play in the doubles matches, but lost in the finals to Ed. Adam and Robert Mueller. The winners played a smooth team game coupled with skill on shots the first of which was slightly lacking among the losers.

As a fitting climax to the three nights of steadily improving quality in the matches came the exhibition by Max Rushakoff and Eduardo Yap. Smashing shots and beautifully placed returns were dished up for the enjoyment of the spectators. Players who had begun to be complacent about their games discovered that there was still much room for improvement.

Mr. Rushakoff won two games of the three played. Both he and Mr. Yap are high ranking players in the Chicago area. The tournament was a success in every way. Financially it exceeded expectations. Likewise the interest taken in it was far greater than was anticipated. Much credit belongs to the managers, Prellberg, Moodie, and Hackbarth, for their careful and efficient work. All who took part in the various meets are laying plans for a bigger affair when it is revived next year.

AFTER THE PLAY

The play, "That's One On Bill" was successfully given before a crowded hall, both Thursday and Friday nights last week. In this three act comedy, presented by the Samper Fidelis of St. John's church and directed by Lilian Draper Klehn.

The scene was laid in the summer home of the Hailys.

The prologue, written by the play director, was ever so charmingly given by two little maids, Aneda Angeloff and Adelmia Kroll. The musical theme of the play, "The Waltz You Saved for Me," Bessie Fredericks, accompanist.

The following were in the cast for the play: Ned Collins (Puffy) too rich to work, but never too tired to eat—Ervin Willert.

Rosie, active and ready to help—Dorothy Fredericks.

Lil, alert and quick planner of circumstance and help to the household—Bessie Fredericks.

Mrs. Haily, the lovable mother of Lil and Bill—Florence Roseke.

Uncle Jimmie, a young bachelor with big ideas—Earl Fredericks.

Bill Haily, a bright inspiring nephew—Cecil F. Meyer.

Mab Allen, a sweet country girl, the cause of all the trouble—Bettie Schmitt.

Harry Dover, Lil's sweetheart, who liked to play around—Wm. Schmitt.

Battling Bennie Bozo, all the name implies in his part, pugilist—John Angeloff.

Patricia (Pansy La Gloria) Niles a vivacious loving girl—Eleanor Kleversaat.

The three acts are presented in three weeks of July. Time, the present.

The story is built on the strife to win the fifty thousand dollar bequest between two of the leading young men, one offers the other \$50,000 if he will not marry her, and "It was one on Bill" when Bachelor Uncle Jim whirled in and carried off the prize. Proving "The best laid plans of mice and men gang aft aglee" as Burns puts it. This play was full of humor and each one took well their part at this late hour and in brief space it is impossible to describe each character. Those who were privileged to enjoy the happy hour with the players, can only reiterate each was perfect in their part and all did well.

The pagoda and enclosing fence for the stage were furnished by the Reese Hardware Co. The palms and ferns, by the Lauterberg & Oehler company for these kindly courtesies the director, Lilian Draper.

Chicago Art Galleries. Especially an interesting feature was pictures of the Dunes in charge of the artist who painted them. Eighteen ladies took advantage of this interesting tour with Miss Russell, April 12.

Mr. and Mrs. Peter Marteni are parents of a son born April 19, 1933 in their home on South Dunton avenue.

Don't forget the auxiliary of the V. F. W. are giving a party at Village hall, May 3.

Miss Clara Schimming and Miss Margaret Lauffer of Des Plaines, were Sunday guests of Mrs. William Lauterberg.

Mrs. Crowley, who has long been shut in quite helpless, was glad to hear, was able to ride out Monday. Though not so soft and warm as the atmosphere of Florida that she so much enjoyed, yet she was glad to get out in the spring sunshine.

Mr. Maynard of Evanston was a guest of Mrs. Harry Garland Monday.

Mrs. Otto Heiman is spending a few weeks with her sister, Mrs. Schumaker in Chicago.

The Sunshine club are meeting this week Thursday, Mrs. Ed. Foley on State road north. This meeting was postponed from last week on account of the funeral of Mrs. Foley's uncle.

Mr. and Mrs. George Peterson, Jr., came home last week from a three weeks' motor trip to Ottawa, Quincy, Danville and other down state cities, a business trip for Mr. Peterson, and one of great enjoyment for Mrs. Peterson, as the new scenery was a changing pleasure for her.

Mr. and Mrs. Joseph Melzer of North State road entertained as Sunday guests her sisters, Mrs. Lachlan Stuart and Mrs. G. Poehls and their families from the city.

Mr. and Mrs. Raoul Peeters and their sons enjoyed a motor trip to Joliet last Sunday afternoon.

The Mount Prospect Woman's club invite the Women's club of Arlington Heights to attend an heirloom exhibit and tea to be given in the home of Mrs. Lee, 406 W. Pala avenue, Mount Prospect, Friday, April 28, 2:30 p. m. A cordial invitation to club members and friends. Admission, 15 cents.

The Woman's aid of the Presbyterian church will hold their regular monthly meeting Thursday, May 4.

Don't forget that Daylight Saving begins April 30 or will have to go to church on early time—don't forget.

A group of the friends of Mr. and Mrs. Weisgerber of South Dunton avenue, improvised a social gathering Tuesday. A jolly get-together card party, to give Mr. Weisgerber a cheerful welcome home.

The Coosa club were entertained in the home of Mrs. Harvey Winkelman on South Evergreen avenue, Thursday last week.

The Carl Behrens family moved Tuesday this week from their East Euclid home to their country place, a farm not far distant. Their residence will be occupied by a family from the city.

The O. M. Johnson family enjoyed a pleasant motor trip Sunday afternoon, taking in some of the beautiful changing scenery of our own state.

Mr. and Mrs. August Tausaint have moved from the Engleking house in South Pine to the Herman Moehling house on North Pine avenue.

One day the last of the week Mr. Theodore Mors had the misfortune to fall over something on the floor of the bakery where he was at work. One of his knees was hurt in a most painful way. A doctor was called and he was taken to an Elgin hospital where his injured leg was put in a cast. He is now at home where we hope he will soon recover.

The Mothers' club announces the annual mother and daughter banquet for Wednesday, May 3, at 6:30 o'clock. Tickets, 25c per person and may be secured from members of the club.

Miss Hattie Faust is visiting her sister, Mrs. E. A. Elfeld and family coming from St. Louis with Mrs. Elfeld and Mrs. Hagen after their Easter time visit.

Miss Marie Kelle received a pleasant surprise Wednesday evening this week in the W. F. Wagner home, N. State road, by the lady members of St. Cecilia Choral society. The occasion was to give Miss Kelle one of their members, a pre-nuptial shower. We opine Miss Kelle didn't mind the "pour down" of all they brought her single bit, nor did she shield herself with an umbrella.

Mr. John Froelich, who has been for some time with his daughter, Mrs. Raoul Peeters, went to his summer home at McCullum Lake, Sunday to attend the funeral of one of his neighbors, Mr. Otto Johnson, who died last week.

Mrs. Fred Wolf of North Chestnut street, has been shut in with a rheumatic trouble all winter, is now improving and is able to sit up part of the time.

A group of Mrs. Howard Dunn's friends gave her a pleasant afternoon surprise party to remind her that she was a year farther on her way to the century mark than she was the same date last year. In

other words it was her birthday. A happy genial hostess was Mrs. Dunn and a delightful remembrance will her guests retain of her birthday. The out of town guests were: Mrs. Maynard and daughter, Mrs. Haas of Evanston; Mrs. Held and daughter, Clara and Mrs. Garland of Des Plaines.

Dr. C. P. Draper went with his daughter on a drive to Chicago Monday.

Mrs. Anna Martens' children, grandchildren and intimate friends, remembered her on her 81st birthday, Thursday this week, April 27.

May 3, the auxiliary of the V. F. W., will give a card party at Village hall. There will be door prizes and other prizes galore. The beautiful silk quilt they have been making will be on exhibition. Cards and other attractions will make it a worth while party to attend.

The Community Players met at the home of Mrs. Ruth Bauer Tuesday night to plan for a play to be given in the near future.

Mrs. George Jolink came from the city Tuesday to see her father, Mr. Theodore Mors, who recently suffered a severe injury to one of his knees.

The Village water tower at Chestnut and Hawthorne is getting a scraping inside, and a painting inside and out.

The George Davidsons, Mr. Davidson, Sr., here from Florida, and Miss Isabel Lexow called Sunday at the Evanses' near Palatine.

Mr. and Mrs. Harvey Kapphahn this week will be located at 134 So. Mitchell. Mrs. Kapphahn will be remembered as the artist who gave a crayon program of readings at the gymnasium in March. She is a daughter of the Reverend and Mrs. W. L. Whipple of the M. E. church. Mr. Kapphahn is in the State Highway department and has been transferred from the Elgin office to the Chicago office, which requires his living in Cook county.

Mr. and Mrs. Jerome Freeman from Itasca moved yesterday to Belmont avenue, near the highway.

Mr. and Mrs. L. F. Elliott returned Tuesday night from Effingham and brought back their automobile, which was hurt in an after Easter accident the Monday Miss Geneva Neville. She also was hurt in the same crash. George, however, is sufficiently recovered to go back to school. The Elliotts visit relatives while in Effingham.

The Gleaner's circle will hold a jitty supper, May 18, at 6 o'clock. Please keep this date in mind.

FOR SALE—Gas stove, electric wash machine, garden tractor, Chev. automobile and trailer. Will sell cheap. G. F. Klaus, Rush St., Itasca. Phone 25. (4-28)

Cement Long in Use
It is a common error to think of concrete as a development of modern science, but this is not the fact. More than 3,000 years ago, in fact, as far back as 3,600 years ago, concrete was in use. Buildings erected by Greeks, Babylonians, Romans and Egyptians still stand, after 3,000 years of construction.

South Side Breezes

Clean up week, spring house-cleaning, garden making and vacation for the children. All these things keep busy mothers even more busy so they have little time to entertain or be entertained.

Leona Wisersky went home Sunday with her grandmother, Mrs. Brauch, who lives in Chicago.

Little Charlene Samuelson visited her cousin, June Pringsten, a couple of days this week. What a happy time they must have had for June has a lovely playroom with an assortment of toys dear to the heart of any little girl.

Mrs. Raymond Atkinson and Mrs. O. G. Barrett attended the conference of teachers and parent-teachers at Evanston Monday.

Mr. and Mrs. Theo. Cuny have moved from South Dunton but we did not learn where they have gone.

Mrs. Harvey Darggett entertained the Fidelis group Tuesday evening.

Miss Helen Shirley Heide came out from Chicago to visit her aunt, Mrs. Charles Kloch for a few days this week.

Thursday afternoon Mrs. George Pringsten entertained a few friends at a dessert luncheon with the afternoon spent at cards.

Mrs. Hugo Behrel went to Chicago Wednesday to attend a meeting of a birthday club of which she is a member.

P. L. Neville of Watson, Ill., spent the week-end with relatives in Arlington Heights.

Mr. and Mrs. Bert Braham and daughter, Dorothy and Mrs. Calvin Hoyte recently visited Mr. and Mrs. Goodrich in South Chicago.

Seventeen Lutheran Congregations Invited, Meeting for Valparaiso

The annual circuit supper in the interest of the Lutheran University of Valparaiso, Indiana, will be held Monday at 7 p. m. in St. Peter's Lutheran school basement of Arlington Heights. This important event is being sponsored by the local Lutheran Laymen's League while the supper will be prepared by the cooks of the Dorcas aid. All of the seventeen congregations comprising this circuit have been invited to participate.

The purpose of this meeting is not pecuniary but for information. Rev. Theo. Andres of Valparaiso Publicity committee will be the main speaker. He will endeavor to show the importance to the church of maintaining schools for higher learning under definite Christian influence. Much of the teaching in secular universities, he will assert, is really pagan and atheistic, and as such is a source of danger to the faith of the youth receiving it. He will contend that the church cannot afford to train its children in Christian primary schools and then allow their faith to be shattered in the materialistic and sceptical atmosphere of many non-religious colleges. In short, this will be a challenging, thought-provoking address, which will interest all friends of Christian education. The affair will be enlivened by program of entertainment and the direction of Mr. Robert Flentje.

Following are the Lutheran parishes which have been invited to attend the university supper: Arlington Heights, Crystal Lake, Cary, Des Plaines, Elk Grove, Woodstock, McHenry, Mt. Prospect, Niles, Norwood Park, Higgins-Campfield, Palatine, Park Ridge, Addison, West Northfield, Niles-Center, Glenview, Bensenville, Itasca, Roselle, Schaumburg.

Bright Woman Lost 20 Pounds

Feels Much Better

"June 28th, 1932, I starting taking Kruschen Salts. Have lost 20 pounds from June 28th to Jan. 10. Feel better than have felt for four years. Was under doctor's care for several months. He said I had gall stones and should have operation. I lost 10 lbs. and more than I expected." Mrs. Lute Bright, Walker, Minn. (Jan. 10, 1933).

To lose fat and at the same time gain in physical attractiveness and feel spirited and youthful take one half teaspoonful of Kruschen in a glass of hot water before breakfast every morning.

A jar that lasts 4 weeks costs but a trifle at Wendt's Drug Store or any drugstore in the world but be sure and get Kruschen Salts the SAFE way to reduce wide hips, prominent front and double chin and again feel the joy of living—money back if dissatisfied after the first jar.

Genius
The genius of Shakespeare was an innate universality, wherefore he lay the achievements of human intellect prostrate beneath his indolent and kindly gaze. He could do easily men's utmost. If what he proposed to do hereafter, would not in the idea answer the aim, how tremendous must have been his conception of ultimates.—Keats.

Louis XIV Sent La Salle
No less a personage than Louis XIV of France sponsored the exploration of the Great Lakes. His royal command sent out La Salle, whose first ship followed Lake Erie down Detroit, Lake Huron to Mackinac Island and Lake Michigan to Chicago.

CONFIRMANDS AT SERVICE

St. Paul's Church Has Festivities for 20 Classes

Confirmands of St. Paul's church, including those in all confirmation classes since the church was founded 20 years ago, joined in the special services last Sunday afternoon held in their honor.

The services were held in the church and conducted by the Rev. J. E. A. Mueller, pastor of the church. The church auditorium was decorated to confirm with the usual Palm Sunday decorations and the entire atmosphere was that of a regular confirmation.

About 190 confirmands joined in the celebration together with other members of the congregation, making a total of nearly 300 to attend the festivities.

Several members of former confirmation classes in St. Paul's church came from neighboring communities to rejoin their former schoolmates on this occasion.

After the special services the confirmands and members of the congregation joined in a social program in the auditorium of St. Paul's school, where a supper was served by the Ladies' Aid of the church.

The entire program was under the auspices of the Young Peoples' society of the church.

Members of the various classes sang the songs rendered in their respective confirmation exercises, which were redolent of days past in the church. In addition there was special choir music.

Crowd Applauds Public School Operetta; Much Talent is Developed

Remarkable singing and good acting for grade school pupils were observed at the Arlington Heights public school operetta "The Pastry Cook and the Pirate," Friday night at the high school auditorium. Miss Fern Lorenzen both directed the operetta and played the accompaniments; something of a feat in itself aside from the acting and singing she drew from the pupils, showing both talent and hard work on her part. The dresses worn by the girls were their own work in Miss Lorenzen's sewing classes. The girls' pirate costumes were made by Misses Henning, Hayford, Lorenzen, and Mrs. Lydia Lorenzen, all teachers in the school. The boys' pirate and police costumes were ingeniously assembled.

The audience was unusually large for a musical affair these days, the auditorium being well filled. Prolonged applause followed the performance.

The composer of the music, Harry L. Alford, surprised the director by attending the performance, saying that this was the first time he had seen the play presented. He was accompanied by a representative of Dennison's, publishers, and spoke well of the presentation.

Incidental music was furnished by the school band; Mr. D. F. Mason the director, being unable to be present, George Kincaid, one of the "Pirate Crew" handled the baton with credit to himself and the band. The operetta was sung and acted with snap and go, except that repeated verses of solos were a bit tedious, as they usually are in operettas. The plot of the play, while absurd, had some tuneful melodies strung along with it. The pupils entered into the preparations enthusiastically, and worked hard, adding to their interest in school at a time in the year when interest is prone to lag. The work in costume helped the boys to overcome their usual diffidence in all public appearances. The presentation of personality, something which a command of subject matter in their studies would not alone give them.

The boys being around the voice changing age, it is particularly difficult to get results from them, but there were good voices and good drill evidenced. Solo parts were taken by John Allen as Blackbeard, the pirate chief; Donald Hanauer, as Jeffrey and Ben the Baker, Dick Turner as Sergeant Schakles, Laverne Levine as Nat the pirate, Louise Novitz as Amelia, Blackbeard's sweetheart, Jane Martens; Shirley Laurin, Hazel Zinn, and Gloria Wilton in minor solo parts.

The pirate crew included Fred Grooms, Gene Westerman, Bob Wayne, Billy Smith, Vernon Pizel, Bud Schmeberger, George Renner, Bob Richards, John Philippi, and Charles Koppin besides others mentioned; dancing chorus of bakery girls: Erma Schultz, Kathryn Newberg, Evelyn Helfers, Mary Jane Michael, Ruth Sebastian, Annabelle Johnson, Hazel Sauer, Ruth Hauptli, Jane Martens, Shirley Laurin, Hazel Zinn and Gloria Wilton; clerks in shop: Sylvia Radke, Leannette Markof, Florence Campbell, Dorothy Teymeyer, Winifred McElhose, Esther Stelling, Erna Miers; a boatman: James Robertson; police squad: William Harrah, Henry Hauer, Charles Proctor, Harvey Bartholomew, Paul Angeleloff, Elroy Bublitz, Raymond Voelker, Donald Jackson, Vernon Pizel, Laverne Levine; customers in the bake shop, girls and boys from 7th grade and high school.

First "Commerce Chamber"
French chambers of commerce own their origin to the city of Marseilles, where in 1590 the town council, which had hitherto looked after the commercial interests of the city, found it no longer possible to combine commercial with municipal functions, and established an association, which it called the "Chamber of Commerce," to take up the commercial part of its duties. This seems to be the first time that the title was used.

NEW COURSE IS BEING FINISHED AT GOLF CLUB

Construction of nine additional golf holes to the original nine-hole course of the Northwest Hills country club, at the beginning of the club's seventh year, was announced this week by the officers and directors.

Many Mt. Prospect men have been employed during the last few weeks putting the finishing touches on the new 18-hole course, which is being rapidly completed and will be ready for play "early this spring" according to the announcement by the officials.

In addition to the new construction the officers announced special rates for seasonal memberships. Due to the low cost of construction the club officials decided last spring to start the construction of the additional nine holes on the golf course, which is being completed now.

The complete official statement of the board of directors, as issued this week follows:

"The board of directors announced that the golfing season at the club will start with the opening of the course on Saturday, April 29.

"The Northwest Hills Country club is one of the few private golf courses in Cook county that was able to maintain itself within its income to date without special assessments against the members. The dues are the lowest of any average private course in Cook county and for the year 1933 the dues will be the same as last season.

"The new managers of the Prospect Park Country Club Trust were encouraged by the results from operation of the Club and the prevailing low cost of construction and started last Spring the construction of additional nine holes which will be completed early this season. This will give the Northwest Hills Country club a complete 18-hole golf course, one of the finest and sportiest in the state.

"To meet the higher cost of operating the 18 holes than was formerly paid to maintain the 9 holes, the board of directors have initiated a plan of increasing the club's revenue through the sale of special season's memberships for the year 1933. These special guest privileges are offered for sale at a price, which includes the dues, lower than any private golf club in Cook county. The sale of these special season's privileges has been very satisfactory to date—most of them having been procured through regular members or their friends.

"The Club has a very limited number of season guest memberships on hand, which can be obtained by persons in good standing whose application is accepted by the membership committee of the club.

"If any of our immediate neighbors or neighbors residing in nearby towns or villages are interested in golf and wish to play, with an eye on the family budget, they will find the facilities ideal for the average man's pocketbook.

"Write for full particulars and the application blank to 'The Northwest Hills Country Club, Mt. Prospect, Illinois.'

The following are the officers and directors of the club for the year 1933:

President, D. L. Lawrence, Chicago; vice president, J. R. Harmon, Chicago; secretary, H. J. Thal, Arlington Heights; treasurer, H. Gadski, Mt. Prospect.

The directors are: S. E. Bates, Chicago; R. E. Ludford, Wilmette; J. J. Maloney, Chicago; C. W. Nolt, Chicago; W. S. Olsen, Maywood; W. C. Pearson, Chicago; D. R. Peterson, Chicago; F. Tuttle, Des Plaines; A. Wille, Mt. Prospect.

'PLAY BALL' BY MAY FIRST

Community League Is Scheduled to Start in Districts

Starting of the indoor baseball league of Mt. Prospect, as a part of the community-wide organized play project sponsored by the Improvement Association is scheduled for May 1.

Already some of the five districts organized by the executive committee, have reported progress toward acquiring a playing field and the necessary equipment.

In District No. 1, Valentine Weber, who was appointed district director, reports that the diamond will be located at Thayer street and N. Elmhurst road. E. D. Baskin is making arrangements to obtain sacks for the bases and according to present plans the field may be ready for initial play some time this week.

It is probable that district No. 1 will issue the first call for play about Friday. At the request of L. G. Johnson he was relieved of the district directorship of district No. 4, as originally appointed by the executive committee. T. Maseng was appointed in his place.

Walter Bach is director of district No. 3, Emmett Worley, director of district No. 2 and Frank Petrina, director of district No. 5. Mr. Bach also was appointed chairman of the rules committee. It is expected that he will soon issue a complete set of playing rules, covering the type of equipment to be used, the size of the playing fields, etc.

Further details of the organization will be worked out at the next meeting of the Improvement Association scheduled to be held the second Monday in May, or May 8. By that time it is expected that every district will have started regular play so that a complete schedule of inter-district games can be arranged by the executive committee and the district directors.

Arlington Has Easy Victory in Track Meet

Arlington won the annual triangular meet between them and Palatine and Barrington Tuesday evening. In doing it, they won out by the biggest margin since this three-cornered meet was started in 1926. The final score was Arlington 77, Barrington and Palatine in a tie at 20 points each.

It wasn't so much that Arlington was stronger than usual, but that the other two schools are much weaker than in previous years.

Arlington scored in each event, and counted slams in the broad jump, 50, 100, and 220 yard dashes. Barrington got two firsts in the 440 and in the pole vault. Palatine did likewise in the high jump and javelin throw.

The coldness of the afternoon kept the boys from doing their best.

Total points—Arlington, 77; Palatine, 20; Barrington, 20.

Arlington High Returns to Base Ball after Three Years and Wins

Arlington played her first baseball game Monday evening after an absence of two years from this branch of N. W. conference sport. Leyden, last year's champions, were their opponents. Arlington went out 3-0 by scoring runs in the fourth, fifth and sixth innings. Errors by Leyden fielders were responsible for two of the Cardinals runs. One of the three were earned.

Anderson looked invincible in the early stages of the game, retiring most of the Arlington batters by the strike out route. But in the latter sessions the Leyden infield gummed things up for him. Altogether Anderson whiffed 10 Arlington batters.

In the meantime Fritz Gieseke was going along steadily and backed by some splendid support was really never in danger. Hauff, Brodnar, Hertel, Luerssen and Mielke each contributed some sparkling fielding efforts for high school youngsters. In all due credit to Leyden some of their drives that might have gone for base hits were in the fielding range. In all, seven fair and four foul fly balls were captured by Arlington players.

Arlington scored their first run in the fourth. Brodnar, first up, was safe on an error by Kossack at first. He stole second and third, and came home unaided, on a passed ball. Forsen scored the next tally in the 5th and an earned one. Burdill tried to trap his smash and it went for a two bager. Mielke cracked out a line single to center scoring Forsen. With two away in the 6th Luerssen got life at first and went on to second when Kable threw wild to Kossack. Luerssen scored on an error by Asta at short, although the play at home was close.

Leyden's biggest threat came in the sixth. Evanston, first up, walked. Kable flew out to left, but L. Kossack drove out a sharp single. Evanston stopping at second. But Burdill flew out to center on a hard running catch by Hauff and H. Kossack sent up a high foul which Mielke camped under.

WHAT'S DOING IN SCOUTING

Friday, April 28, 8 p. m. Niles Township District Committee meeting Village Hall.
 Tuesday, May 2, 7:30 p. m. Troop 9 Committee meeting, Palatine.
 Wednesday, May 3, 7:30 p. m. Third session of University of Scouting, Des Plaines Congregational church.
 Friday, May 5, 4:00 p. m. Palatine District Committee meeting, Mr. Kuhn's home, Palatine.
 Saturday, May 6, 9:00 a. m. to 10:00 p. m. Third Annual Spring Rally, Lions Park, Des Plaines.

SCOUTS KEYED UP FOR RALLY

Scouts throughout the Northwest Suburban area keenly anticipate the Annual Spring Rally at Lions Park, Des Plaines, May 6. New kites are very much in evidence for the kite flying contest. Likewise there are a few model aeroplanes here and there that are destined to be winners in the model aeroplane event. Everywhere scouts are practicing on signaling, fire-building, scout pace, knot-tying and many of the other scout crafts that will be needed to win the contests of the day. A mysterious contest about which no one knows the details, has been added to those already announced. All in all it will be a gala day and every scout is looking forward anxiously to its pleasures and thrills. The activities start at 9:00 a. m. and continue practically without interruption throughout the day and evening.
Try For Attendance Banners
 Practically every troop is endeavoring to win one or both of the attendance banners. One is to be given to the troop that has the largest percentage of its troop members there. The other will go to the troop having the largest number of guests. Tickets have been distributed to the troops and they will be credited with each one that is turned in at the gate properly marked and signed. Last year more than 700 scouts and guests attended the event. Given an acceptable day from the standpoint of weather, local scout officials anticipate the attendance at the coming event will exceed last year's figure.
Plan Huge Campfire Program
 A huge campfire program is being planned as a climax. A troop song contest will be a feature. Surprise events are planned. Some troops will camp overnight and return home the following morning. Field Scout Commissioner E. J. Anderson will be in charge of the rally, assisted by local scout officials and leaders.

UNIVERSITY OF SCOUTING DRAWS LARGE ATTENDANCE

More than 100 men and older scouts are registered in the University of Scouting which meets every Wednesday evening in the Boy Scout room of the Des Plaines Congregational church. This is the largest group of leaders that have been brought together under the leadership of the Training Committee since the creation of the Northwest Suburban council in 1927. Five different training courses are operating simultaneously, each having to do with some phase of boy leadership under direction of the council. There is a course in Cubbing, the new program for 9 to 12 year olds; elementary scoutmastering, approved scoutmastering and Indian lore for those interested in scouting and there is a course in scoutmastering for the men anticipating leadership of older boys, 15 and up, that are attracted by the fine features of this program.
 Scout Executive Nimitz says that 33 different occupations and professions were represented in the group.
Regional Official Talks to Men
 Deputy Regional Executive, W. W. Shaver, who attended Wednesday's meeting for the purpose of helping with the Cubbing course, also spoke to the entire group in the opening session of the evening. Another visitor of the evening was Gerald Shipman of the Chicago scout council. Mr. Shipman has charge of all seasonal work in Chicago and attended the local course to assist with the instruction in that phase of the program here. The meetings will continue two more weeks and are open to anyone interested in boys.

Legion Auxiliary

At the May meeting Tuesday, May 2, Merle Guild Auxiliary will entertain the District Director, Mrs. Clara Lowden. The regular program will be carried out, also a few readings will be given, then refreshments will be served. Several members will not be able to come. Let all who can attend as a matter of courtesy to our guest. We understand some people have jig saw puzzles to give away, please let us have them, for the boys at Elgin hospitals. Call Mrs. Peechia, 524-J. She will arrange to have them called for.

THANKS TO VOTERS

We, the candidates upon the United Peoples Ticket at the recent village election herewith express our sincere thanks for the support accorded to us. Although we were not selected as members of the village board, we have nothing but the best wishes for the men upon whom has fallen the responsibility of governing our village.

Woman's Club Elect Officers

The Woman's club met Wednesday, April 19, with Mrs. B. U. Jarvis. After the usual business routine and reports of committees, Mrs. J. E. Best, club historian, read the report of the several programs of the year, as well as the social and other evening meetings.

The nominating committee presented the following slate: President, Mrs. Eugene Heller; 1st vice president, Mrs. George L. Parker; 2nd vice president, Mrs. Bruce Jarvis; recording secretary, Mrs. Milton Daniels; corresponding secretary, Mrs. Thurman Dodge; treasurer, Mrs. John Best; directors, Mrs. Howard Helm, Mrs. Helmar Olson. As there were no nominations from the floor and no opposition these officers were unanimously elected.

The hostess served a very attractive luncheon of ice cream and chocolate cake roll.
 No specific plans for future meetings were made.
 The club adjourned to await the call of the president.

Many Homes Are Rented by Arlington Realty Company

Arlington Heights Realty Co., who specializes in managing property, renting and insurance, report increasing activity of renting and request home owners to list their properties with them assuring them tireless efforts to rent their homes, flats, etc. They have rented in the past two weeks the following flats and homes:

 Mr. Otto Seville is now located in the Waggoner house on Rand road.
 A. G. Friberg, late of Florida, will soon be located in a bungalow on 1215 S. State road.
 Mr. and Mrs. Aug. L. Toussaint will move shortly to their new home at 310 S. Pine street.
 Mr. L. H. Holt from Austin have rented in at the gate property marked and signed. Last year more than 700 scouts and guests attended the event. Given an acceptable day from the standpoint of weather, local scout officials anticipate the attendance at the coming event will exceed last year's figure.
Plan Huge Campfire Program
 A huge campfire program is being planned as a climax. A troop song contest will be a feature. Surprise events are planned. Some troops will camp overnight and return home the following morning. Field Scout Commissioner E. J. Anderson will be in charge of the rally, assisted by local scout officials and leaders.

Elmer Whiting, Former Arlington Hts. Resident, Dies in Des Moines, Ia.

Elmer E. Whiting, a son of John B. and Lucinda M. Whiting was born in Elk Grove, Ill., June 21, 1861 and passed away at his home in Des Moines, Ia., April 4, 1933. The family moved to Winterset, Ia., in 1883 where he resided until 1896. On Dec. 16, 1891 he married Minnie L. Foster and to this union was born a son, John B. and a daughter, Garneta. The family resided in Winterset, Ia., and Cook county, Ill., until 1910 when they established their home in Des Moines, Ia., where they now reside. It was here he united with the Highland Park Christian church. Mr. Whiting is survived by his widow, Minnie L., a daughter Mrs. Garneta Caldwell of Des Moines, Ia., a son, John B. of Trenton, Mo.; a granddaughter, Lois Ann Whiting; two sisters, Mrs. Laura Crane and Mrs. Stella Thuber, both of Arlington Heights, Ill., also several nieces and nephews.
 He was laid to rest April 6, 1933 in the cemetery of his old home at Winterset, Iowa.

A CORRECTION

In our issue of April 21, the name of Herman H. Boeger was given as a member of the Arlington Heights Realty Company. It should have read Northwest Realty Company. The latter has its office on the highway in the Kelling building and is making a special effort to find local homes for Chicago people who want to move out to the suburbs.

Mrs. Margaret Nelson, Nee Bauer, Passed Away

Mrs. Margaret Nelson, only daughter of Mr. and Mrs. Valentine Bauer, 805 N. Chestnut street, Arlington Heights, passed away Tuesday morning, April 25, 1933, at the home of her parents, leaving her husband and a small son.

Funeral services were held yesterday (Thursday) at the home of her parents, thence at 2 o'clock to St. Peter Ev. Lutheran church, the Rev. H. C. Fricke officiating. Mr. C. Landeck, principal of the school, was at the organ. Singing was by the school children and Mr. William Ladwig, soloist. Funeral arrangements were by Karstens, burial in Euclid-Rand cemetery.

Margaret Bauer was born April 29, 1913 in Callicia, Austria. When eight years old, she came to America with her parents. They made their home in Arlington Heights. In 1932 she married Mr. Nelson, the Rev. H. C. Fricke officiating. When she passed away she was aged 20 years, lacking five days. Relatives beside those mentioned are two brothers, Rudolph and Harold; a grandmother in Sweden, another grandmother in Austria. The parents of the bereaved husband, Mr. and Mrs. Nelson, live in Elk Grove.

Community Chorus Elects; Plans Big Program for Fall

The Community Choral Society held its last meeting of the season Monday night at Arlington Heights High School, electing the following officers for the coming year: President, Humphrey Ashton; vice president, Sidney Allen; secretary, Mrs. Ed. Harth; treasurer, Mrs. Milton Daniels; librarian, Mrs. Cecil McWhorter. Theodore Miltzer will continue as director, and Miss Mercie Heise of Palatine will continue as accompanist.
 It is planned to give both "The Messiah" and "Elijah" next year. A picnic will be held in August, the first fall rehearsal on the second Monday in September, and a course of lectures also early in the fall of interest to choir singers everywhere, to be delivered by Mr. Miltzer who is widely known as an authority on music. It is hoped to double the membership next year.

Foresman, Lee F. Biedermann, Edward B. Dearie, Jr., and Fred H. Aten. The meeting was held at the home of W. A. Miles.
 A. H. Hottinger is scoutmaster; for the troop, Ed. Chidley and Robert Both assistant scoutmasters.

Joseph Goedke Passes Away at Advanced Age

Mr. Joseph Goedke, father of Mr. Albert Goedke, 208 W. Wing street, Arlington Heights, passed away Monday at 1:20 a. m., at the age of 83.
 The funeral service was held yesterday (Thursday) at 2 o'clock at the Lauterburg & Oehler home for funerals in Arlington Heights, the Rev. C. M. Noack of St. Peter Ev. Lutheran church officiating. Burial in Randall cemetery.
 Joseph Goedke was born April 5, 1850, in Bartz, Mecklenburg, Germany. He came over with his parents to America at an early age, the family settling in Schaumburg township. While in Schaumburg he attended school, and was confirmed in the Lutheran faith by the Rev. Richman. About 52 years ago he married Miss Ernestine Reimius, at Schaumburg, the Rev. Mueller officiating. 41 years ago he came to Arlington Heights, and was employed by Bray and Kates, later moving to Chicago where he lived about fifteen years. During the past four years he has lived with his son, Albert, in Arlington Heights.

He leaves to mourn two sons, Albert of Arlington Heights, and Erwin of Chicago; five grandchildren. His wife, Mrs. Ernestine Goedke, passed away in Chicago four years ago, after which he returned immediately to Arlington Heights to live with his son. A daughter, Mrs. Emma Friwald, of Chicago, also preceded him to the beyond.

High School Board "Stands Pat" on Election

In regard to the contention by candidates defeated at the April 8 election in Arlington Heights High School District No. 214, that the election is invalid on account of the compliance with Sec. 91 of the school law of Illinois, and that a new election should be called, the following copies of correspondence are submitted by Mr. Arthur B. Hewson, who was candidate for president of the board. This correspondence follows upon a petition addressed last week to Mr. Theodore Miltzer, who is president of the board and the successful candidate for reelection. The election was held from 4 to 8 p. m.

Arlington Heights, Ill.
 April 22, 1933
 Sent to all Board Members.
 Dear Sir:

We have the assurance of the County Superintendent of Schools and the State Superintendent of Public Instruction that the April 8th election was legally held, as well as advice of counsel to the same effect.

You, therefore, will be interested in the attached copy of Mr. Miltzer's reply to our protest; together with our answer thereto.

We are sending you this merely that all interested parties may be fully informed and that we may show due diligence on our part before beginning legal proceedings.

Yours very truly,
 Arthur B. Hewson
 Arlington Heights, Ill.

April 21, 1933

Mr. Arthur B. Hewson,
 Box 454,
 Arlington Heights, Ill.
 Dear Sir:

Your communication, addressed to me under date of April 17th, at hand demanding that the recent election be declared illegal, and that a new election be called.

In the matter of said election the Board has been legally advised as to said election and is acting in accordance with such advice.

We are informed, among various points involved in the matter of said election, that Section 91 was created for the purpose of building one or more high schools, and second, that it is not a mandatory act but comes under a directory provision, and the cases are most numerous along the line of irregularities in an election being insufficient to vitiate an election where the outcome of the election would not have been different and the same is free from fraud or wrongful intent.

There are other cases concerning the matter of this election and its details, as well as other sections under which we have operated in the past, in view of which we feel that the election, according to the school laws as they stand, is legal. Should we be wrong, we feel that the Court's construction would be most helpful to all schools, including some neighboring institutions whose elections have been conducted along similar lines.

It is a great question, according to the advice received, whether Section 91 applies, or whether the section under which the election was conducted is applicable, and of course, it may be to the advantage of all people interested in school affairs that the sections, in contradiction to one another, may be legally construed by our Supreme Court in a proceeding brought to that Court for such construction.

Therefore, in view of the condition of the sections concerning school elections, we are considering this election legal, and await any action you care to bring that may result in the Supreme Court deciding to the contrary.

Yours very truly,
 (Signed) Theodore Miltzer,
 Arlington Heights, Illinois
 April 22nd, 1933

Mr. Theodore Miltzer,
 Pres. High School Board of Education, District No. 214,
 Arlington Heights, Ill.

Dear Sir:
 I have your personal letter of April 21st in which you presume to answer our protest of the election of April 8th last on behalf of the High School Board of Education, District No. 214.

The signers of this protest cannot accept this personal letter as an adequate answer to the question at issue for the following reason:

1. As the presiding and executive officer of your Board you have no power under the law to make decisions in such matters.
 2. The only legal manner in which our protest of the election can be passed on is by formal action on the part of your Board at a regularly called meeting of the same at which a quorum is present.
 3. The only adequate answer which you can make to our protest is transmission to us of a transcript of that portion of the minutes of such a meeting of the Board which sets forth its action and vote on our protest.

As you were apparently unaware of the requirements of the situation, we are allowing you until next Wednesday morning to take proper action so it cannot be said that we acted rashly without giving you the fullest opportunity to call a meeting of the Board.

Very truly yours,
 Arthur B. Hewson.

Veterans of Foreign Wars, Prospect Post No. 1337

"The Gold Stripe Organization" Faced with the tremendous task of raising sorely needed funds for relief purpose throughout the country, plans have been formulated by the National Buddy Poppy committee of the Veterans of Foreign Wars of the United States for the most energetic campaign that has ever been staged in the history of the Buddy Poppy movement.

With approximately twelve million people unemployed, it is reasonable to estimate that something like one or two millions of these job seekers are exservice men with families and dependents. In 1932, the employment division of the veteran administration announced that approximately 1,600,000 veterans were unemployed. Unfortunately, these numbers have increased during the past months with every industry adopting the policy of decreased overhead.

The drastic effects of the economy bill enacted by Congress early in March come as an added blow to the disabled and needy veteran. Many of those who have been receiving some small measure of compensation in the past will be deprived of this help from the federal government in the future.

Thousands of others will suffer from sharp reductions in the new policies governing veterans' benefits, not only for World War veterans and Spanish American Veterans, but Civil War veterans as well.

Masonten Camp Fire Girls

By RUTH DUVE
What a grand time we had making and receiving scrap books Thursday night. Paste, paper and brushes were supplied to all, while everyone had to supply their own scissors and contribute a few magazines.

There was no choice of making any particular book, but the books were distributed and you made the ones whose name was on the paper. The people who were to receive these scrap books were not to know who was making it. So, of course, everyone's curiosity was aroused.

The contents of the scrap book was to be suitable to the persons past, present and future life. The future contained the most items. Most of them ended with them including a happy wedding and they lived happily ever after. One ended with the person being a grandmother of five children.

Next week is original play night. We expect to see a variety of original plays upon which the girls are laboring hard.

Mt. Prospect Baseball Team To Give Dance

The Mt. Prospect A. C. will give a dance at the beautiful Northwest Hills Country Club, Saturday night May 6. People who have attended some of the former dances at the Country Club will admit that it is the finest place to dance in the suburbs. All the members of the baseball team are working hard to put this dance over. Tickets may be obtained from members of the team.

The team is getting ready to play its initial game. The date will be announced next week. The baseball team needs your support, and would appreciate your attendance at the dance. Refreshments will be served.

Svend Svendsen's Paintings Shown

In Exhibit Here

The Mt. Prospect Woman's club will conduct an heirloom and handicraft exhibit for members and friends in the community Friday, April 28, at 2:30 p. m. in the home of the club president, Mrs. J. F. Lee, 406 Wa-Pella avenue.

Included in this exhibit will be many fine quilts, old and new, hooked rugs, shawls and handwork of every description. Old china, glassware, pewter, old silver, antique furniture, paintings will be shown, as well as some books over 400 years old, and one article that dates back to 2000 B. C.

The paintings shown will be those of a well-known artist, Mr. Svend Svendsen, who is now a resident of Mt. Prospect. Mr. Svendsen has some canvases placed in the permanent section of the Luxembourg Galleries in Paris. He won a medal with his paintings at the St. Louis International Exhibit in 1904, which artists from all over the world attended.

The first award ever offered by the young Fortnightly club of the Art Institute was given to Mr. Svendsen in 1895, and he also has received honorable mention at the Centennial Exhibition.

Tea and cakes will be served during the afternoon, and a small charge of 15 cents will be made, the proceeds going to the club treasury.

4 Babies Born Here

Since Saturday; It's Even—2 Boys, 2 Girls

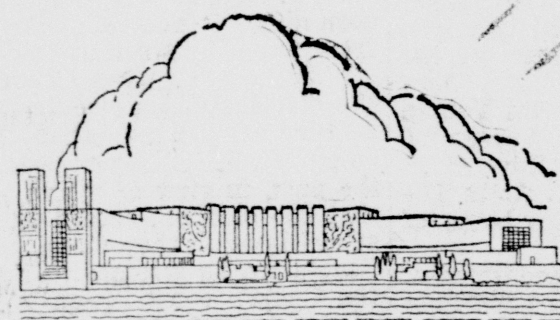

Old Doc Stork had a busy time in Mt. Prospect during the last few days. Announcement has been made of four new residents here—two boys and two girls.

A seven pound baby boy, Robert, was delivered Tuesday to Mr. and Mrs. Robert Quinn.

A six and a half pound boy was born to Mr. and Mrs. Walter Scharringhausen, Lewis street, on Monday, April 24. His name is Walter Allan.

An eight pound girl was born to Mr. and Mrs. Edwin Haberkamp on Monday at the Mt. Prospect General hospital.

A girl was born Saturday to Mr. and Mrs. Albert Niemeyer.

"At the Century of Progress see 'Electricity at Work'—the Exhibit of the Electric Light and Power Industry"

Company is coming!

RELATIVES and old friends from far-off places will soon be coming to visit you . . . The World's Fair starts in June.

Of course you'll be glad to see them again. And in playing host, you'll want your home to look its best—even better than its best.

Here are a few "what-to-do" suggestions from your Public Service Store and other local dealers:

Nothing makes a home look more hospitable than friendly entry lights. New lamps will also brighten up the rooms inside. Spring displays include a wide assortment of both floor and table models at truly surprising prices. Lighting fixtures, too, are being offered at great savings.

To economically launder all the extra sheets, pillow slips and table linens you'll be using when company comes, we recommend a modern electric washer. The new Thor and the new Conlon machines are special now at only \$5 down.

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

A double-action vacuum cleaner will simplify your task of keeping floors always spic and span. The Hoover Special is now only \$2.15 down (\$21.95 cash).

An up-to-the-minute gas range with all the new convenience features will make it easier to prepare the kind of meals you'll be really proud of. It will dress up the kitchen too. We're featuring gas ranges this month with money-saving automatic heat control as low as \$3.25 down—only \$32.95 cash (including installation).

You'll find a lot of other practical home helpers now FEATURED AT YOUR LOCAL DEALERS and at your Public Service Store. Stop in. Modern uses of gas and electric service represent real economy—a penny or so an hour is all they cost to operate.

WHEELING NEWS

Daylight saving time begins Sunday, April 30. Push up your clocks one hour on Saturday night and be on time for your appointment on Sunday.

A baby boy was born to Mr. and Mrs. Leo Scheid on Saturday, Apr. 15th.

Mrs. Carl Schuessler of Chicago and her two youngest children visited here the fore part of the week.

The final meeting for the season of the community chorus was held on Tuesday evening, April 18. Husbands and wives of chorus members were invited in, and the evening was spent in merry making. Old-fashioned games rolled away the years of the participants, and added hilarity to the occasion. Refreshments consisting of sandwiches, doughnuts and coffee closed the program of the evening.

The children of both grade and high schools enjoyed a day's vacation on Monday due to teachers' institutes being held on that day.

The Howard Bingham family visited the Dickinsons at Morgan Park on Sunday.

Mrs. C. Becker attended the Supreme Camp Royal Neighbors of America held at Peoria last week.

Mrs. E. J. Welflin, Donald Welflin, Mrs. C. Becker and son, Melvin, visited the Century of Progress fair grounds on Tuesday.

Open house at Childerley this Saturday will feature square dancing. Saturday evening, May 6th, will close open house activities for the season. All people holding adult membership cards will wish to join in this affair which will include a banquet at 6:30 p. m., a varied program and dancing following the banquet. Cards informing members of these plans have been mailed to all holding cards. If there are any who have been enjoying the fun and fellowship at Childerley Community Center this winter who would like to share in this last open house but have neglected to secure their card, you may still do so by seeing Miss B. Keith or Mrs. Wiles at once. The charge for the banquet, including the entertainment and dancing will be only 25 cents. All adult members, who are planning to attend the banquet are kindly requested to purchase banquet tickets from Miss Hazel Utpatel or Mrs. Ruth Wiles before Thursday, May 4th.

PRESBYTERIAN YOUNG PEOPLE HOLD SUPPER

The annual Fellowship Supper sponsored by the Young Peoples Club was held at the church on Wednesday evening, April 19th. About 55 people were present to enjoy the bounties of the board and the good fellowship of the occasion. The supper was spread on tables made colorful with a variety of tulip nut cups, flowers and candles. The menu consisted of baked ham, scalloped potatoes, cabbage salad, relishes, rolls, nut bread, coffee and cake. All of which were a real credit to the culinary art. A small fee of 15 cents was charged for the supper which covered the majority of the expenses. During the meal, added gaiety was supplied in the way of cheer songs in which all could participate. One of the club members contributed a solo number to the program. The club was especially favored in having as their guest speaker, Dr. R. H. Elliott, who was present with his wife, Dr. Elliott is the director of Christian Education of Chicago Presbytery, and was introduced as the speaker for the evening by the club president, Dr. Elliott is an outstanding friend of youth and all young people whose privilege it is, to come into personal contact with him, know him as their friend. In his address he presented in a most interesting way, the values of the Christian church especially in relation to youth. His message carried with it a real challenge also, to those of maturity in the church in maintaining those values which build the abundant life which only Christ can offer humanity. Following the talk, another brief period of song closed the program of the evening.

PRESBYTERIAN CHURCH

Morning worship 10:55 o'clock.
Evening fellowship service 7:30 o'clock.
Sunday church school 9:30 a. m.
The young people's club will hold their monthly meeting Tuesday evening, May 2nd.
The program for repairing and painting the church property is actively under way. While a period of depression may drain the purses of a people, it cannot drain the physical or spiritual resources of Christian Americans. And so with the "faith of our fathers" in the spiritual values that only a church can give to a community, and the same courage with which they faced the physical tasks of life this work has been planned. Will you accept a share in carrying it out?

Theatre Notes

Joan Crawford Film Moves to the Roosevelt

"Trios" of men or women have brought success to man a talking or silent picture. Who will forget Douglas Fairbanks and "The Three Musketeers"? Memory of Gilbert, Dane and O'Brien in "The Big Parade" will always remain fresh in the minds of filmgoers. The trio of men in "Beau Geste" is unforgettable. The same is true of the three girls in "The Greeks Had a Word for Them."

Cooper and Young are seen as Miss Crawford's lovers, with Tane playing the part of her brother. All three play a part in the World War, Cooper as an American aviator, Young and Tane in the operation of two-man torpedo boats, the most dangerous branch of the British Navy. Miss Crawford comes to love Cooper and is then told he is dead. His unexpected return after the heroine has given herself to another man provides the nucleus of this romance, "Behind the Lines."

"Mussolini Speaks" Now at McVickers

Everybody's reading about him; everybody's talking about him; everybody's wondering about him—Mussolini, the giant of history, one of the most outstanding men in our generation, a man who has made and is continuing to make history. "Mussolini Speaks," the picturization of Mussolini's career, is now at the McVickers Theater.

The picture is the first complete, authentic and exclusive record of the life of today's "man of the hour." It is unique in motion picture production, inasmuch as it is the first time a great man is recorded on celluloid during his lifetime. The Prime Minister himself plays the chief role. The gestures, actions and speeches of this international figure are delivered with that vivid, fiery gusto that is the man Mussolini.

Mussolini's life has been very dramatic. The picture reveals, as a blacksmith, his first duties were at a forge. We next find him a school teacher, an active politician, a revolutionist, a soldier, the leader of the Fascist movement and Dictator of Italy.

Maurice Chevalier in 2nd Week at Oriental

Maurice Chevalier's latest picture, "A Bedtime Story" is in its second week at the Oriental Theater. Chevalier is cast as a man-about-town who suddenly discovers that home and fireside have their charms. This awakening comes to him on his return from a voyage, when he finds a baby abandoned in his car. He calls the police to take it away, but by the time they arrive he has become so fond of it that he has decided to keep it and raise it himself. Helen Twelvetrees, an American girl stranded in Paris, becomes the baby's nurse, and the rest of his menage to his

Mary Pickford At United Artists

Two double-winners before the Academy of Motion Picture Arts and Sciences and two runners-up worked with Mary Pickford making "Secrets," now at the United Artists Theater.
The double-winners are Frank Borzage and Frances Marion, the former for direction of "Seventh Heaven" and "Bad Girl" and the latter for scripts of "The Champ" and "The Big House." The runners-up are Ray June, cameraman and Richard Day, art director.

Ramon Novarro At Chicago Theatre

Hail the new shiek! Not since the days of the late Valentino has the movie-going public so acclaimed a star as the cheery that are coming for Ramon Novarro in "The Barbarian" starting Friday at the Chicago Theatre. Novarro's part is that of an Arabian prince, leader of a fierce desert tribe. To learn commercial ways he disguises himself as a dragoman (guide to you) in Alexandria. It is his lot to fall in love with a beautiful American girl, Myrna Loy, who has come to Egypt to marry an engineer. His fierce wooing of the white girl—romance set against the blue sky of Egypt's sands, and riding through thrills on the baking, hot, endless desert—starts the adventure that makes "The Barbarian" the most exciting picture of its kind since Valentino won immortal acclaim in "The Shiek."

On the stage next Friday there will be another tremendous stage show—brimming full of gaiety—bubbling with youth, loaded with happiness and a galaxy of stars. The stage will be crammed with surprises—a dazzling burst of speed and joy—full of pep—and in stage full of beautiful maidens. It will be one of the gayest and happiest stage shows the Chicago Theater has ever had.

Counting the Stars

When, on a dark, clear night, one looks at the glory of the skies, it seems as though the stars in the heavens were infinite in number, says Nature Magazine. Those that one sees with the naked eye appear countless, and one thinks of the billions only to be seen with the aid of a telescope. In truth, however, there are less than 3,500 stars to be seen with the unaided eye at any one time and place and under the best conditions.

Don't Be A Jaywalker

Motor Vehicle Administrators of the United States, the men who know, will describe a series of traffic violations and driving errors responsible for a majority of automobile accidents and advise how they may be avoided. This is number sixteen of the series.

By P. M. HARMAN
(Motor Vehicle Department, Illinois)

DON'T BE A JAYWALKER

Cross streets at designated cross walks. If there is a signal light, wait for it to stop traffic for you.

The problem of reducing pedestrian accidents and fatalities annually becomes more difficult, as the toll, especially among adults, increases.

Last year, according to the statistics of the National Bureau of Casualty and Surety Underwriters, 14,500 pedestrians were killed. This was nearly half of the total of automobile deaths.

Jaywalking cost the lives of 6,000 persons, and injured 118,500 others.

These accidents happened because these people attempted to cross streets diagonally, against the signal or between intersections.

Follow the rules of the Model Municipal Traffic Ordinance drafted by the National Conference on Street and Highway Safety. It says:

"On streets where traffic at intersections is controlled by traffic control signals or by police officers, pedestrians shall not cross a roadway against a red or 'Stop' signal and between adjacent intersections so controlled shall not cross at any place except in a marked or unmarked crosswalk. A pedestrian crossing or starting across in any such crosswalk on a green or 'Go' signal shall have the right of way over all vehicles, including those making turns, until such pedestrian has reached the opposite curb or a safety zone, and it shall be unlawful for the operator of any vehicle to fail to yield the right of way to any such pedestrian."

Jack Oakie in "Sailor Be Good" Friday and Saturday at Catlow

Jack Oakie and George E. Stone form a new comedy team in "Sailor Be Good" which plays the Catlow theatre, Barrington, Friday and Saturday nights.

As Jonesy, Oakie is the happy-go-lucky glib-fighter who is trained in love, drink and fighting by his waterfront sweetheart, played by Vivienne Osborne. Murphy is the name of the Hebrew fight manager, who endeavors to make Jonesy a successful Navy boxer. While the story moves with fast tempo, Oakie and Stone bandy laughable retorts between them throughout the film's locales, which range from the waterfront to the penthouse apartment of a society debutant.

"The Street Singer" with Arthur Tracey will head the list of short subjects which will be added to this bill.

Vina Delmar's "Pick Up," featuring Sylvia Sydney and George Ratt, will be the feature attraction at the Catlow theatre Sunday and Monday. It tells the story of a couple of big city youngsters thrown together by an unusual trick of fate. Sylvia Sydney, after being released from prison, to which she has been sent with her husband, who "framed" her, finds herself destitute in the city on a rainy night. She seeks shelter in a cab, and soon finds the driver, Raft, to be as deeply in love with her as she becomes with him. They buy a garage and enjoy prosperity and happiness in the suburbs.

But the husband appears on the scene, fresh from a jail break in which he has killed a guard, and desecrate in his determination to revenge himself upon Sylvia and upon Raft. The film reaches a breathless climax in Sylvia's attempt to sacrifice herself to save the life of the man she loves.

Short subjects chosen for this program will add a wide variety of interest to the Sunday-Monday program.

Canyon Transportation
In order to get nine powerful electric shovels into Black Canyon so they could start work for the Hoover dam, it was necessary to float them down the Colorado river on barges and set them ashore to dig themselves in.

EAST MAINE

The annual change of time takes place Sunday, April 30, so don't forget to set your clocks ahead one hour.

Mrs. August Geweke, who has been on the sick list is reported to be getting along fine.

St. Matthews Ladies' Aid had a fine, large crowd at their bazaar party at the school hall Friday evening and all had a good time. Miss Alvina Beto, the Aid's president, was unable to attend because of illness.

The population of East Maine is increasing. A baby daughter was born to Mr. and Mrs. George Ahrens Monday, April 24. Mother and daughter are fine. Congratulations.

Mrs. Frank Lehman was successfully operated on at the Welles Park hospital Monday morning, and doing as well as can be expected. Mrs. Wm. Tagtmeier was expected home from the same hospital some time this week.

Baseball fans may have been wondering what has become of their East Maine team. The boys have joined up with the Des Plaines team, unless different arrangements are made later. They had their first game of the season on the Earl playground at the season of Des Plaines Sunday and defeated the State Line team 8 to 7 in innings. Manager Tommy Meighan gave Howard Coash, Bill Selkie and Alex Rosek each a chance at mound duty, Howie and Bill each hurling three innings and Alex taking the last four.

COMMITTEES APPOINTED BY SCHOOL BOARD

Another Meeting Friday Needed to Complete Business

Committees were appointed at the initial meeting last Friday of the newly organized board of education, school district No. 57, and every member of the board was given plenty of work to complete before a continuation of the meeting Friday of this week.

Many items of business were considered and transacted and others were set for definite action or reports at the next meeting after President R. E. Salzman appointed the following committees:

Finance: H. W. Carlson, chairman; T. Maseng and A. C. Dresser. Purchases and Supplies: Vaughn C. Bacon, chairman; Mr. Carlson and Mr. Keeper.

Educational: Mr. Maseng, chairman; Mr. Dresser and Mr. Bacon. Building and Grounds: Mr. Dresser, chairman; Mr. Maseng and Mr. Mielke.

A great many of the matters considered last week were referred to the various committees and will be reported on Friday night so that the new board can carry on the work of the school district effectively and efficiently. This meeting is to be held at 8 p. m. at the public school building and everyone interested in the school is welcome to attend.

To Have Finance Report

The finance committee was instructed, by a motion passed by the board, to confer with the treasurer of the school district, Christ Busse of the Mt. Prospect State Bank, regarding a financial statement of the district so that the new board can determine the exact financial status of the school unit.

Unpaid bills were brought to the attention of the board and referred to the finance committee. These will be tabulated and presented to the board for consideration, particularly after a complete financial statement has been prepared.

The committee on building and grounds was instructed by a motion passed by the board, to look into the matter of rentals for use of the school building or any part of it by persons or organizations other than those directly connected with the school.

The board voted to pay the judges and clerks of the school board election. These officials included T. Maseng, L. G. Johnson, Otto Maleske, Mrs. Charles Pankonin and Edward Pohlman.

Cash for Teachers

In an effort to obtain some cash with which to pay the teachers the finance committee was instructed to determine the possibility of selling school tax anticipation warrants or the chances of exchanging them for merchandise coupon books.

Various oil refining and distributing companies have already accepted a large amount of tax anticipation warrants from other Cook county school districts in exchange for merchandise books and it was thought that a similar arrangement might be made for Mt. Prospect public school teachers in order to provide them with part cash instead of only teachers orders, which are vouchers by the school board authorizing payment by the treasurer. However, these orders have not been cashed recently due to the shortage of funds in the treasury.

The plan used frequently in other school districts is to exchange warrants or teachers orders, probably tax warrants, for merchandise books. These books, in turn, are sold to school patrons or friends for cash. The cash is then turned over to the teachers.

To Consider Equipment

Complete inspection of all playground equipment was ordered by the board and this work was referred to the committee on buildings and grounds. The committee was also instructed to confer with the Improvement Association regarding the equipment on the south side school property.

This equipment was originally furnished by the Improvement Association and this organization recently asked the school board what steps might be taken to keep it in good condition. The Association also offered its aid in doing anything necessary to maintain the equipment in proper condition.

It is possible that the committee may be able to report definitely on this matter at the meeting Friday evening.

Reference of all insurance policies covering buildings and equipment, for complete analysis regarding adequacy of coverage and reliability of the insurance companies, was made to the finance committee. This committee may be able to make a preliminary or final report Friday.

The building and grounds committee was also instructed to take a complete inventory of all public school property and to make adequate records for reference by board members or others.

Supervision of Play

Supervision of the children's play at school during regular recess and lunch hour periods was considered and referred to the committee

ADDITIONAL MT. PROSPECT NEWS

on education. This committee is expected to discuss the matter with the principle and plans may be made for a regular schedule of adequate supervision of play beginning immediately.

The purchase of fire extinguishers was referred to the committee on purchases and supplies. It is believed that several fire extinguishers are needed for complete protection against fire and it is expected that a report on this matter will be made Friday.

The committee on education was authorized to cooperate with the principle upon the reported request of the county superintendent of schools to have joint graduating exercises with various smaller country schools this year. It was explained that in many schools only two or three pupils will graduate. By having joint exercises the superintendent believes, much more satisfactory and effective graduations can be held.

POPPY DAY IN FOUR WEEKS

President Meyn Issues Proclamation for May 26

Mt. Prospect will observe "Poppy Day" this year on May 26, Friday before Memorial Day, it has been announced by Mrs. Chas. Verret, chairman of the poppy committee of Mt. Prospect Unit of the American Legion Auxiliary. The unit is making extensive preparations for the observance of the day and is hoping for the full cooperation of all other organizations and individuals.

Memorial poppies, to be worn in honor of the World War dead, will be made available to everyone in the town by volunteer workers from the Auxiliary Unit. Organization of the workers is going forward rapidly under Mrs. Verret's direction and the unit expects to have its "poppy girls" in all parts of the town throughout the day. The flowers for the sale have been ordered from Edward Hines, Jr., hospital, where they have been made by disabled World War veterans.

"Poppy Day is the day for personal tribute to the men who lost their lives in the country's service," Mrs. Verret explained. "The poppy is a patriotic symbol which means honor for the dead and service for the living."

"No price will be asked for the American Legion Auxiliary poppies. The Auxiliary wants everyone to wear a poppy and to contribute for the flower according to his means. All contributions will be used for relief work among the disabled veterans and their families, the bulk of the money going to support the relief activities of our local Auxiliary Unit among needy families in this town."

The following Poppy Day proclamation was issued by Herman F. Meyn, president of the village board:

"Friday, May 26, was designated as 'Poppy Day' in Mt. Prospect in a proclamation issued today by Mayor Herman F. Meyn. The proclamation called upon all citizens of the city to observe the day by wearing the American Legion and American Legion Auxiliary poppy in memory of the World War dead. The proclamation stated:

"Whereas, in the great crisis of the World War the young men of Mt. Prospect offered their services to our country with an exalted spirit of patriotism, numbers of them sacrificing their lives in that service;

"And, Whereas, the same exalted spirit of patriotism is needed today for the service of our country in its peace-time difficulties;

"Therefore, I, Herman F. Meyn, of the city of Mt. Prospect, urge all citizens to recall the spirit of these gallant dead and renew the memory of their high patriotic service by the wearing of the American Legion and American Legion Auxiliary memorial poppy on Saturday, May 27.

"To that purpose, I do hereby proclaim Friday, May 26, Poppy Day in the City of Mt. Prospect."

President of Village Board

Men's Club Hears Facts of Germany, Austria Wednesday

What lies beneath the surface of political and social conditions in Germany and Austria will be explained at the Men's club Wednesday evening when E. Raymond Wilson, a student of international relations, will address the organization and probably open the meeting to a general discussion on the subject.

Mr. Wilson has traveled extensively and recently in Europe and is considered by officials of the Men's club as unusually well qualified to give a comprehensive and unbiased report of the situation in the two countries that have undergone such terrific political and social changes during recent years.

The announcement of the club's program states:

"The conditions and events of the next few months there will be watched by everyone throughout the world and your understanding and interest will be increased by the background of Mr. Wilson's explanation. It is an unusual opportunity and we hope to have a large attendance."

As an "added" attraction, as the movie ads say, a series of "Outdoor Sport" motion pictures will be presented.

School Welfare Group Organized For Entire Year

Confirmation of the forming of a permanent organization known as the Public School Welfare Association was effected Monday night in the public school building at a meeting of about 25 interested persons, presided over by Stanley G. Freck, who was elected president of the organization several weeks ago.

After a great deal of discussion by most of those present, including the four new members of the board of education a motion to effect a permanent organization was made by L. G. Johnson and seconded by Vaughn C. Bacon. The motion was carried unanimously.

It was decided to establish an executive committee composed of the officers of the association and any others that may be appointed by the president to set meeting dates or to call special meetings.

The opinion of most of those present apparently was that meetings could be held infrequently, unless special matters of importance had to be acted upon. In such an event the executive committee would call a meeting.

The question arose as to whether such an organization might usurp the activities of the Parent-Teacher Association. Mr. Bacon, a former president of the Parent-Teacher organization, and a newly elected member of the board of education, explained that such a thing was very possible. However, as a member of the board of education he asked that the Welfare Association continue as an organization to consider and to help the present board upon matters that could not be handled by the P. T. A.

R. E. Salzman, newly elected president of the board of education, asked that the organization continue to advise with the board. In no sense would this organization dictate to the board or in no way would the Welfare Association's recommendations be obligatory to the board, Mr. Salzman and others at the meeting explained. However, anyone interested in the public school, whether a parent of school pupils, or not, is welcome to become associated with the Welfare group, it was pointed out by several persons present.

A. C. Dresser, H. W. Carlson and T. Maseng also spoke in favor of continuing the Welfare association. Mr. Carlson, who was appointed chairman of the finance committee, called attention to the fact that such an organization could be of great service to the school board in matters that the Parent-Teacher association might not be permitted, according to the constitution of this organization, to take an active part.

Announcement will be made in the future as to meeting dates of the association and activities of the executive committee.

"42ND STREET" EPITOMIZES ALL IN BACKSTAGE LIFE

"Three good tunes and a kick in the pants for your work blackout. Can you make a hit show of it?" These are the first sentences in Bradford Ropes' novel, "42nd Street," and they color the length of Warner Bros.' new gigantic picture of the same name which comes to the DesPlaines theatre beginning Sunday, April 30th.

In the picture, the words are addressed to Warner Baxter, who plays the role of a veteran stage director with a hundred hits to his credit. What he does to the three good tunes and the kick in the pants form the basis for "42nd Street."

But not quite all of it. Warner Bros. have gathered together in this tale of the Rialto's backstage, a gripping dramatic story of the theatre of today, of the problems, heartaches and tears, the good times, lighthearted camaraderie and carefree days, when there's money in the pocket, forty weeks more of work ahead, and nothing to worry about, all of which make up stage existence.

Chorus girls—to the number of about one hundred and fifty—stars, directors, singers, song writers, hoofters, crooners, comics, heavy-lifters and ingenues—they're all there. And Warner Baxter, Bebe Daniels, George Brent, Una Merkel, Ruby Keeler (Mrs. Al Johnson to you, and you'd better watch for her!) Guy Kibbee, Ned Sparks,

WILL SELECT NEW OFFICERS

High School Principle Also To Speak To P. T. A.

Election of officers will be held at the meeting of the Mt. Prospect Parent-Teacher Association Thursday evening at the public school building, when the nominating committee will make a complete report.

In addition to the selection of new officers to serve during the next 12 months, V. I. Brown, principle of the Arlington Heights high school, will address the association, speaking particularly to the parents of pupils in the upper classes of the grade school.

Mr. Brown will explain to the parents and teachers just what is expected of pupils in high school, how conditions are different from the grade school and the general organization of the last four years in the public school system.

The Girl Scouts and pupils of Mr. Priest's room are also on the program. The children in the upper grades will furnish music and the Girl Scouts will have a special entertainment.

It has been the custom for the retiring president to appoint a nominating committee and the association frequently acts favorably upon this report. The nominating committee, as appointed by Mrs. E. D. Baskin, retiring president, includes Stanley G. Freck, G. A. Anderson, Mrs. W. H. Wilder, S. W. Harrington and Miss Kilgore.

The retiring officers, who have served during the last 12 months are: Mrs. Baskin, president; Mrs. Ben Ivers, vice president; P. H. Baldwin, secretary; Mrs. Price, historian.

Mrs. T. A. Thorson served as general chairman of the school lunch program and Mrs. Valentine Weber was the chairman of the social committee.

LOCAL NINE IN ACTION SUNDAY

St. Paul's, North Division Champs. Open the Season

Mt. Prospect St. Paul's baseball team, champions of the North section last year, will open the 1933 season with a league game against St. Luke's team of Chicago, Sunday, April 30.

Saturday afternoon at 3 o'clock on the Mt. Prospect diamond, the champions will be seen in action for the first time when a practice game is scheduled with the River Forrest High school nine.

A few new faces will be seen in the St. Paul's team line-up this year as two members of the championship team are now over the age limit. Old Father time has decreed that Holste and Lemke are to seek their baseball recreation in a bigger, faster league.

**SUBURBAN
GROUP PLAN
BIG MEETING****Officers To Be Elected
May 10; To Lead in
Home Rule Fight**

With local elections in Cook county municipalities out of the way for this year, and as a result of these elections the executive committee and official board of the organization remaining intact, to head the battle to retain Home Rule, the executive committee of the Suburban Area and County Towns Association of Cook County, Inc., is prepared to carry on with renewed vigor its effort to prevent legislation which would enroach upon rights of Cook county municipalities to rule themselves on matters of purely local concern.

Annual Meeting in May
The Association is looking forward to the annual organization meeting which will be held in Oak Park, Wednesday, May 10, the by-laws of the association calling for the annual meeting to be held the second Wednesday in May, but when this date was fixed it was overlooked that the organization of a majority of the councils in the county take place on that evening. So a few of the executives will be at Oak Park to convene the meeting in accordance with the by-laws on Monday, May 8, and will then adjourn until Wednesday, May 10, when the actual business of the association will be transacted.

There will be several educational features on the program. All civic organizations of the county and taxing bodies are invited to send representatives to the meeting whether members of the association or not. An opportunity will be given to those who desire to join the association in the cause of the preservation of home rule to attend the meeting and become affiliated with the organization. This includes park districts, township boards, school boards and organizations of every kind interested in civic affairs.

The executive committee which nominates officers have named the following for submission to the convention:

President, Walter P. Saunders, president of the village of La-Grange, and executive vice president since the formation of the organization.

Vice Presidents, Charles H. Bartlett, president during the present year and Mayor of Evanston; Henry W. Tolsted, president of the village of Maywood; Frank Kasten, mayor of Blue Island; George W. Mulrooney, trustee of the village of Elmwood Park; William A. McKee, mayor of Park Ridge.

Secretary, Jacob E. Dittus, attorney for the village of Maywood.

Treasurer, George R. Gold, mayor of Forest Park.

For the executive committee it is planned to have submitted to the association a proposition to increase the membership from five to ten members in addition to the officers.

Those nominated are:

Charles F. Baumrucker, president of the village of River Forest; William Brooks Moulton, president of the village of Winnetka; W. Frank Walkowiak, publisher, Summit; D. A. Niefeld, president Cook County Farm Bureau; and J. W. Mahaffay, mayor of Palos Park.

Should the association agree to the increase of the membership of the executive committee, the following names will be presented: Joseph Cerny, mayor of Cicero; Frank Bruggemann, mayor of Harvey; Willis McFeely, president of the village of Oak Park; Julius D. Flentje, president of the village of Arlington Heights; and Frank Novotny, mayor of Berwyn.

**Mr. and Mrs. Landmeier
Celebrate Anniversary**

April 22, 1933 in the Elk Grove school house beginning at 6:30 p. m., a memorable event was celebrated the 25th anniversary of the marriage of Mr. Barney Landmeier and his wife Caroline, nee Garlich. Over 200 guests had been invited who filled the spacious rooms of the school house at the appointed hour. The venerable couple surrounded by their children, Harvey and his wife, Esther, Evelyn, Clarence and little Roger, were attended by the witnesses of 25 years ago. Fred Heuer, John Garlich, and Mrs. Martha Kranz, nee Garlich.

Rev. H. L. Barth of St. John's church had charge of the religious services. Mr. Albert Landmeier and Mr. Alfred Landmeier sang two duets: "The Sweetest Story Ever Told" and "I'm Afraid to Come Home in the Dark" which were well received. After the religious ceremonies, all went to the dining room where a delicious repast was served.

The music for the evening was furnished by the Heine Bros. which all enjoyed immensely. Dancing was the feature of the evening.

Mr. Landmeier is a staunch member of St. John's church, being a member of the Council, and Mrs. Landmeier is a teacher in the Sunday school. Let us hope that the venerable couple may live to celebrate the 50th anniversary of their jubilee.

Banquet is May 18**

The Mary and Martha S. S. class of the First Evangelical church of Bensenville are to sponsor a Mother and Daughter banquet in the church dining rooms May 18 and the Men's class, known as the Baracca class, will serve. A real banquet is being arranged for and a splendid program will be rendered at table after the eats are finished.

Those who have attended the Father and Sons banquets at this church will remember what wonderful times were had and will also want to take part in this banquet for our mothers and sisters. As only 100 can be seated in the dining room only that number of tickets will be sold, so be sure and see that you get yours before they are all sold. Price 35c. What a wonderful opportunity for mothers and daughters to meet together and enjoy a real evening of entertainment. Don't forget the date and get your tickets now.

**Evangelical Federation
Meeting Well Attended**

The Spring meeting of the Arlington Heights Federation of Evangelical women, which was held Thursday, April 20, at Hanover church, was very well attended, there being 206 who registered. The members of Hanover and Rev. and Mrs. Meyer proved themselves very good hosts and hostesses and the day will long be remembered by all who attended.

The district president, Mrs. E. H. Eilers, was the speaker on the morning's program. Her address was based on the practical work of the six departments of work. The delegates and members of the local societies received advice and encouragement to carry on their work, for high aims in spiritual building. The first that is necessary is education, which should develop religious living, being missionary minded, recognizing stewardship, engaging in welfare work, and being mindful of our duties in Christian citizenship.

In the afternoon, Miss Hedwig Schaeffer, a missionary on furlough from India, spoke on the Synodical emphasis: "The World Task of the Church," from the angle of missions. She said that the churches do not only give toward missions, but also receive encouragement and enlightenment in doing missionary work. She also told of her personal contact in work with Mrs. Katherine Goetsch, in whose memory the Evangelical Women's Union is contemplating to erect a bungalow for missionaries in India.

The fifth national convention of the Evangelical Women's Union will convene at Buffalo, N. Y., on June 27-30. Several local societies will be represented by an official delegate and visitors. Mrs. Betha Vocks, the president, or Mrs. Anna Magers, the secretary of the federation are to represent the Arlington Heights federation.

The summer meeting of the federation will be held at Plum Grove, Rev. Buehler, pastor, near Palatine in July. The fall meeting will be held at Bensenville, Rev. Wagner, Pastor.

**Tiogas Prepare for
Big Base Ball Year**

In a couple of practice games last Sunday the two Tioga teams showed that they expect to do this coming season. The second team defeated Itasca while the first team shut out Bellwood. Since last season Tioga Athletic Club have extended their boundary line so that they were able to do this. They were able to do this by soliciting membership from a much larger territory and the outcome is that they have several new members who desire to play on the team this year.

From the actions of some of the newly acquired men they remind you of the new additions to the White Sox team. A much stronger league will be assembled this year than last year and Tioga is going to have to play some real baseball to equal the White Sox start in the American league. Next week we should be able to give our readers some definite information regarding the teams and starting time of the season.

**Date Set for Visit
To Century of Progress;
All School Children**

Friday, May 12 will be a red letter day in the lives of school children of all the schools of Cook county, for on that day they are the guests of the Fair association. City, parochial, rural and village pupils are invited. Pupils, teachers and drivers of cars transporting children will be admitted free to the grounds. Undoubtedly the fair will be the finest ever seen by young or old and it is a treat the children will think and talk about the rest of their lives. Parents are urged to cooperate with County Supt. Aken and the teachers in making this day a real success.

At 11 a. m. a pageant will be staged by the Morton Grove Public School depicting the "Achievement Work" of the Cook county schools. This will be held at the front of the Hall of Science facing the lagoon. Following the program everyone is free to roam about at will.

**LEE INDICTS
ATTITUDES OF
BIG BUSINESS****Unsocial Actions One
Cause of Depression
Economist Says**

(Mt. Prospect Review)

What caused the depression? Technological developments in this country as well as in the world, plus a disregard on the part of "big business" for the ordinary Christian morals of conduct, is the charge of Dr. Judson F. Lee, economist, who expressed his views in detail at the Sunday Evening Club this week.

He will continue his presentation of his version of the causes of the recent breakdown in the economic system which reached the height of its momentum in 1929, at the next meeting of the club next Sunday evening. All interested residents and guests in Mt. Prospect are cordially invited to attend.

Dr. Lee introduced his opinion with the expression of his belief that the depression was not caused by any one single factor, such as the much talked of technological unemployment and other developments. The technocrats, he explained, have some basis for their beliefs, but it is his conclusion that this factor was but one while the other main cause was the "utter unsocial attitude and actions of the larger business interests." This attitude has been existent during the upbuilding of the large business interests and was an important factor in the rapid breakdown during the years following the first stock market collapse in October 1929, he said.

Details of Operations
Dr. Lee's indictment of those business interests which he charges with an un-Christian and unsocial attitude was complete and replete with details of methods and operations used by many of the outstanding business organizations that have ceased operations during the last few years.

His first address Sunday evening dealt chiefly with five main evidences of moral delinquency in business.

For instance, he pointed out the almost universal practice of real estate bond houses that habitually issued and sold bonds amounting to more money than the buildings constructed cost. In many instances he said, the owner came into possession of the property without investing one cent of cash, and the bond houses made fat commissions. The capital was provided by bond buyers and the interest and principle was met by excessive rental charges. When lower rates inevitably arrived the entire financial structure, so built up, collapsed like a house of cards and left the bondholders with little or no equity.

Costly Receiverships
Furthermore, in case of foreclosure, Dr. Lee pointed out, there have been enormous and excessive costs of reorganization. The excessive costs went to receivers, lawyers and accounting firms. As an example Dr. Lee cited one case where the cost of receivership was \$146,000. Later a court found that had the receivership been handled properly the cost should not have been more than \$12,000.

Another practice denounced by Dr. Lee was that of purchasing corporations by bond or financing houses at certain prices and then immediately issuing bonds for more than the actual value of the business. He cited as an example the purchase of the Dodge Brothers automobile business by Dillon Reed and Co., for \$146,000. Dillon, Reed and Co. immediately sold bonds to the amount of \$161,000, leaving a neat profit in addition to commissions, of \$15,000,000.

Another breakdown in business morality was cited by Dr. Lee who told of an underwriting concern that advertised and gained the confidence of the public by its record of never handling a stock or bond issue that had not paid dividends or interest for 35 years consecutively. This business, during the boom years in the late 'twenties sold over-valued securities to anyone who would buy.

Withholds Important Facts
Still another instance of the moral breakdown in business during the predepression years, Dr. Lee said, was that of a large New York banking institution that deliberately withheld important information regarding a bond issue that would materially reduce the market value of the bonds. Yet, at the same time, this bank was recommending the purchase of these bonds to its customers.

All business institutions, Dr. Lee declared, have a three-fold obligation—to the stockholder, to the worker and to the public. If they discharge all of these obligations a business deserves to prosper.

Dr. Lee called attention to the fact that the interests of both capital and labor are much more identical than the public ordinarily thinks.

This subject will be discussed again next Sunday evening and Dr. Lee will probably spend the greater part of his time answering questions that may be brought up by his listeners.

**Bensenville to
Employ Two Cops**

At a special meeting of the Bensenville village board this week, it was decided to employ two police officers. Herman Wagner, Jr., will be the day force and Henry Kolze will be the night man. Otto Grobe has been acting as police officer since our former policeman, Jack Frost, resigned about 4 weeks ago.

**Ringley Reports
Favorable News to
DuPage Veterans**

(By County News Service)
James P. Ringley, department commander of Illinois, for the American Legion was guest of honor at a special meeting held Friday night by the Villa Park post of the legion, which was really a county wide gathering of legionnaires and officers of the organization. The state commander brought back important legion news from Washington where he had conferred Thursday with the two U. S. Senators and General Hines of the veterans bureau.

"We obtained the promise of the general that not a single veteran would be transferred from Elgin or other hospitals for mental treatment until equal treatment had been arranged for elsewhere," said Commander Ringley.

"Only the day before we had conferred with Governor Henry Horner who had promised us fifteen minutes time to discuss the proposed transfer of many mental cases from proper hospitals to other institutions where their proper care was not possible. The governor spent an hour and a half with us and then wired both United States senators at Washington arrange for a conference the next day with General Hines and further if we did not get satisfaction from the General to arrange a conference for us with President Roosevelt," revealed Ringley in concluding his remarks.

Others that talked on this subject were members of the party in Washington are: Edward A. Hayes, vice chairman of the national rehabilitation committee; Guy Boerner, superintendent of veterans welfare, state of Illinois.

Among the prominent guests at the legion meeting were: Eddie McGinnis, vice commander Cook county council; Charles Dunham, former county commander of Downers Grove; Clifford Wimpers of Lombard, county adjutant; Captain Edward E. Brazelon, Elmhurst aviator.

Thornwald Jacobsen of Villa Park was acting toastmaster of the meeting which was attended by several hundred veterans.

**Two Candidates
File for County
Highway Exams.**

(By County News Service)
Two candidates have already appeared and placed their application with the County Clerk for a chance at the examinations to be held to select a candidate for the appointment as county highway engineer, the post now held by E. L. Gates.

They are: C. H. Rich of Glen Ellyn and Harry Mahood of Villa Park. The board must select from three to five names to be submitted to the state highway department who are to compete in examinations for qualification as highway superintendent. It is understood that Mr. Gates need not compete as he has on previous examination qualified.

**Old People's Home
Financial Report
Is Encouraging**

The Evangelical Lutheran Old People's Home in Arlington Heights is pulling through the depression well, according to a financial report given delegates from the some fifty member congregations of the Missouri Synod meeting Monday night at the Hotel Sherman in Chicago.

Receipts for the past year were \$36,644; expenditures \$33,557, the secretary, Rev. A. B. Wangerin, reported.

**Hanover Dodgers
Win First Game**

Coming from behind to wipe out a 4 run lead, the Hanover Dodgers defeated the Elgin Nationals 7-5 on Sunday afternoon at Rah's Park. Liesenberg's triple with 2 on in the eighth was the deciding blow.

The Nationals got off to a 4 run lead on 2 errors, 2 hits and a walk. The Dodgers came right back with 3 runs in the half when Karne tripled with the bases loaded. The Dodgers tied it up in the 5th and forged ahead in the 6th, but the Nats came right back in the 7th and tied it up again. This set the stage for Liesenberg's triple and the ball game.

Next Sunday the Hanover Dodgers play the Hollywood Cubs in a 2:30 o'clock engagement at Hollywood.

Nationals.....400 000 100-5 6 2
Hanover.....300 011 028-7 9 2
Doubles: Cooper and Mulrooney.
Triples: Karner (2), Liesenberg (2).

**BOMB ROCKS
COUNTRYSIDE;
WRECKS PAVER**

The bombing of a concrete mixing and paving machine about 1:05 a. m. Wednesday, at Wolf and Foundry roads, made a blast felt for miles around. Parts were blown over a radius of 450 feet. The bomb had been placed deep in the machine underneath the drum, so as to cause the most destruction possible, the motor of the machine being included in the damage. The machine had stood all winter at the same place by the barnyard of Mike Zervich, tenant on the Lauer farm. The blast rocked the house as with a tornado, broke windows, and caused articles in the house to move from one place to another.

The paver belonged to the Minder Construction company of Chicago. Another machine standing near MacDonald road, about a mile north, belonging to the Pickus contractors was bombed about the same time.

**JUDGE KNOCH
EXPLAINS NEW
TAX TRANSFER****Villages to Collect Own
Assessments; Saves
County \$35,000**

County Judge Wm. G. Knoch was a speaker before the board of supervisors last Friday. He discussed the proposed changes in the tax collection laws which will eliminate many duties and much expense now charged to County Treasurer, Retta K. Martin, and County Clerk, Clarence V. Wagemann. This proposal would transfer the collection of special assessment delinquents from the county to the cities and villages where the assessments originate.

In his talk Judge Knoch estimated that about \$35,000 could be saved for the county if this could be done. At the present the county is spending thousands of dollars for the printing of delinquent notices. The new proposal would shift this to the municipalities. Further figuring interest and penalties and the making of new rolls always calls for an additional office force and expense at the courthouse. This would also be eliminated.

This proposal is now before the State Legislature awaiting its sanction. It is known as bills 608, 609 and 610. The plan which has received endorsement all over the state had its origin in DuPage county and has been pushed by county officials and the DuPage county board.

Last week a delegation journeyed to Springfield when Judge Knoch went before the Senate committee on municipalities and explained its purpose and its merits. This committee reported it favorably to the senate where Judge Knoch was called and spoke for 20 minutes to that body.

Its passage is virtually assured.

**Want to Retain
Relief Head, Tho'
Contrary to Custom**

(By County News Service)
The DuPage county Emergency Relief committee meeting in Glen Ellyn, last Friday evening refused to accept the resignation of its chairman, W. H. Baethke. The chairman of the county board automatically becomes county relief committee chairman.

Some think that although Mr. Baethke has to relinquish his position with the board of review and other county organizations, he can be retained as head of the county relief committee unless reason is found to ask for his resignation or his committee decides to accept his offer to resign.

**Lake Shore State
Teachers' Meeting
Very Well Attended**

Before the largest group of teachers ever assembled in a Lake Shore meeting of the State Teachers' association, Wm. T. Foster, director of the Pollack Foundation for Economic Research, and Rufus Von Klein Smidt, president of University of Southern California, gave inspiring addresses.

In the business session a resolution was passed urging the seeking of a loan from the Reconstruction Finance Corporation, using warrants as collateral with which to pay up back salaries of teachers.

Among the new group chairmen elected for the coming year was Noble Puffer, director of education of Division One schools, who was elected chairman of the Rural Teachers' section.

**Daylight Savings Time

As usual on the last Sunday in April, Daylight Savings Time will begin next Sunday morning, and those who wish to get to church will want to set their clocks accordingly.

**ITASCA BOARD
ORGANIZES FOR
COMING YEAR****Schroeder Gives Reins to
Luehring; McClay
Resigns**

The change in the leadership of the Itasca village government was made Saturday night when Dr. F. W. Schroeder transferred the reins which he has held for twelve years to the successful candidate for the presidency at the recent election, Mr. Henry Luehring.

Leaving the board along with Dr. Schroeder were Carl von Gunten, R. E. Freeman and Earl H. Pruess. Along with Mr. Luehring, the following board members were sworn in, Fred Kueker, Elmer Wyse, E. N. Lake and Edward Bickness.

The new appointments for the coming year have not yet been made, but will be when the president and trustees meet next Tuesday night.

The old board tendered a vote of thanks and appreciation to the outgoing mayor for the leadership and service he has given to the village of Itasca. He was also presented with a gift by friends in recognition of these services.

Wallace McClay, head of the Itasca police department, handed in his resignation, stating that he was actuated with the feeling that the best interests of Itasca would be served in the long run by such a course. No action was taken on this resignation, however, by the new board.

The program of the new mayor will probably be made known at the meeting Tuesday.

**Roselle's First Home
Bakery Opens Saturday**

Roselle now has a regular home bakery. The new bakery has been established by Julius Farney and is located next door to the Economy Cash Market. The grand opening date is announced for Saturday, April 29. On this day a complete line of home baked bread and pastries will be on display ready to do justice to your appetite. Free bread or coffee cake will accompany every individual purchase.

Mr. Farney was told that he was quite an optimist to launch a new enterprise such as this at this time. His reply was that he believes the people of Roselle desire honest to goodness home baked products and will support such an enterprise. It is now up to the people of Roselle.

**Big Money in
New Bank Business**

A Lesson in Mathematics
The Chicago Daily Tribune of April 25, carried a very interesting problem in mathematics under the heading of "State Auditor Reports on 19 Closed Banks." In looking the article over we could not help but notice the vast amount of depositors' money that was being taken from their pockets and placed in the hands of Attorneys and Receivers. These two items added to one other important item "Clerical and Miscellaneous Expense" seem to take most of the money found in a closed bank. And then one wonders if bank failures are not a profitable business for some one.

The Depression may have closed thousands of banks and taken the life savings of hundreds of thousands of working people, but it put a lot of extra money into the pockets of these professional people who have a way of knowing about how much a closed bank can be forced to dig up for division among them.

And still there are people still making money out of the illegitimate sale of liquors. We are wondering if they have noticed this new field that the depression opened up when it posed our banks of the country. Perhaps they, too, will turn to that avenue of making big money.

**Palatine Clawed
The Score is 9 to 6**

The Roselle Tigers won their first game of the season by defeating the Palatine Indians by a score of 9-6.

The Indians immediately started things going, getting two runs in the 1st and two in the 2nd. Roselle not being so successful, managed to score three runs in the 2nd, to be on the losing end of a 4 to 3 score. Palatine kept the lead until the 5th inning, when the Tigers started their offense, to win by a slight margin of 9 to 6.

The batteries for Roselle were C. Benhart and P. Wiese. Wiese allowed 11 hits, striking out 8, and walking 2.

The batteries for Palatine were Smith, Langhorts and Helm. Langhorts allowed 4 hits, striking out 2 and walking none. Helms allowed 7 hits, striking out 4, and walking 2.

Next Sunday the Tigers will play the Itasca Colts at Roselle at 2:30.

**N.W. Lies Is New County
Chairman; Benhart, Kelly
Sent In Choice Positions****Roselle People
Await Policies
Of New Mayor**

Until the reorganization meeting next Tuesday night when John G. Schellenberg, the successful candidate for mayor at the recent election takes over the guidance of the local government, the people of Roselle are to remain in the dark as to new plans, policies and appointments. Perhaps this is as it should be. In the long run it is better that announcements be made officially and that policies start from sources of responsibility.

Although two new members will make their appearance on the new board, there are four who will be seasoned in the ins and outs of village government. Thus the new board will not be handicapped for lack of knowledge and experience.

**ARREST THREE
NILES CENTER
BANK ROBBERY****Local Police Department
Perseveres Until Results Follow**

A solution of the robbery of the First National Bank of Niles Center, and of the fatal shooting of the cashier, Harry Mueller of Morton Grove on April 7, appears to be about complete, due to the persevering efforts of Chief of Police Charles Holmes of Niles Center. He cooperated with Chicago police and Captain Dan Gilbert, chief investigator of the state's attorney's office, and was assisted by Sergeant Jacob Barg and other members of the Niles Center police department.

Three of the four bandits are believed to be men in custody by Chicago police, and a fourth is being sought. While at the Chicago detective bureau, one of the captured suspects, John Schick, aged 21, 5040 Wellington avenue, Chicago, made an attempt to escape, and shot a detective in the ankle. Chief Holmes being present, overpowered the prisoner before he could fire again. Schick and Frank Klegwitz, 24 years of age, 2831 Normandy avenue, Chicago, were told on by one Carl Grundhofer, 20 years of age, living at 3307 N. Keating avenue, Chicago.

Officers in the bank and other witnesses to the robbery have identified them as the robbers. These witnesses include Leonard Bauman, assistant cashier, Miss Jeanette Reusch, clerk; John Meier, Tressville village clerk, Mrs. John Munch of Niles Center, and Gilbert Juern, Morton Grove.

Arrest followed after Schick paid \$1,100 cash for a new car. Grundhofer, associate of Schick, when questioned, confessed, and said that Schick had held out \$2,000 which he had not split with the others; that the amount split was only \$3,000, each partner getting \$750. The amount taken from the bank was \$4,969.84, a check-up showed.

Regarding the shooting, in which the cashier was fatally wounded when he entered the bank after lunch, just as the robbers were going out, Grundhofer, who was on guard at the door, said Mr. Mueller was shot when his gun went off "accidentally."

The good judgment of Mr. Lies in naming these committees and their heads has been commented upon by many. The supervisors of Addison township have all been placed in responsible positions. On the powerful and most important committee on the board, the finance committee, was placed Supervisor Senf. On the County Farm and Almshouse committee we find Supervisor Benhart and as Chairman of the very important committee on roads was placed Supervisor Kelley. The representatives of Addison township thus form an important cog in the wheel of government of DuPage county.

**Will Palatine People Ever
Learn That It Is Safer To
Place Their Bets at Home?**

In spite of the fact that the attention of Palatine people was recently called to the fact that placing horse bets in Palatine has been 100 per cent safe the past few years, they will take their business to State and Rand roads, which was raided two months ago and again April 15.

These people and a number of citizens from other towns had the inconvenience of appearing before Judge Klehm Monday afternoon, where they were fined \$5.00 and costs each; the bookie paid both, costing him way over \$100, made.

W. G. OST RETIRES; Term of Father and Son Over 40 Years

Wm. G. Ost, veteran member of the Palatine Fire Department for over thirty-eight years, was elected honorary fire chief and presented with a gold badge last Friday night by that body. It marked the culmination of an Ost reign in fire department affairs that started 40 years ago.

During all these years a Chief Ost has been at the head of the fire department. The late Chas. W. Ost, father of W. G. Ost, became fire chief in 1893, serving until 1917, when his son, who had been his assistant many years, was elected to the post.

History repeated itself last Friday night when the fire department presented the token of meritorious service, an honorary fire chief badge suitably engraved to Mr. W. G. Ost. A similar badge in the form of a watch chain had been presented for a similar reason to his father 17 years ago.

That chain was worn by Mr. Ost that evening when he unexpectedly attended what he thought was his last fire meeting. Following the business session, it was suggested that the newly elected fire chief take the retired chief off his last fire truck ride. That ride ended at a local tea room where a surprise chicken dinner provided by the DesPlaines, Cook County Mutual Fire Insurance Co., awarded Mr. Ost and the members of the company.

Don Smithers is visiting a few days this week at the home of his parents in Waukegan, Wisconsin. His sister, Mrs. Miller and daughter of Bensenville visited at the Baruth home Sunday.

Mr. and Mrs. Elmer Wyse and daughter, Miss Marie, were guests of Mr. and Mrs. Leo Hamilton, Sunday at Elgin.

Mr. and Mrs. E. H. Pruess announce the birth of a son at Chicago Memorial hospital Sat., April 22. Both mother and babe are getting along nicely.

Mr. and Mrs. MacLaren of Chicago have moved to Itasca and will reside on Elm street.

Mrs. Berry and children have gone to Canada for an extended visit with Mrs. Berry's parents.

Mrs. M. Kesseling is visiting with relatives in Detroit, Michigan this week.

Mr. and Mrs. Crandel of Chicago have moved into the Pieper home on Irving Park boulevard.

Rev. and Mrs. M. Kesseling have been returned to the Itasca Evangelical church, following the conference session at Naperville. Members of the church and friends in the community are glad to welcome them back.

Do you know that Roselle now has a regular home bakery. It opens Saturday, April 29, next to the Economy Cash Market. Free bread and coffee cake are offered to customers. Get yours.

Mr. and Mrs. William Stock of Bensenville will entertain relatives and friends Saturday night in courtesy of their 25th wedding anniversary. Itasca relatives and friends who are planning to attend will include Messrs. and Mesdames Ed. Bicknese, Frank Franzen, Charles Haneck, Frank Hoffman, Herman Hoffman, William Mess, Emil Mensching, Martin Mensching, Ernest Kraegel and their families; Mesdames Glanz and Forke and families.

Rev. F. Zersen attended the Lutheran Ministerial conference for Northern Illinois district, at Forest Park on Tuesday and Wednesday of this week.

Mr. and Mrs. Leslie Stoike had their infant son, Wendell Allan, christened Sunday afternoon, the Rev. Zersen officiating. Only intimate relatives were present.

Mrs. Grant Chessman of Pullman, Illinois, and her brother, Mr. Cochran of Grand Rapids, Michigan, were in Itasca the past week, calling on friends and relatives. They were accompanied by Mrs. Chessman's daughter and husband, Mr. and Mrs. Barnett.

The young people's society of the Evangelical church will sponsor an entertainment at the Itasca village hall on the evening of May 9. "The Old Fashioned Mother" will be presented by the young people of the Villa Park Evangelical church.

The golden wedding dinner will be held at noon in the Union Hotel at Wheeling where a large gathering of relatives and friends are expected.

SUBURBAN GROUP PLAN BIG MEETING

Officers To Be Elected
May 10; To Lead in
Home Rule Fight

With local elections in Cook county municipalities out of the way for this year, and as a result of these elections the executive committee and official board of the organization remaining intact, to head the battle to retain Home Rule, the executive committee of the Suburban Area and County Towns Association of Cook County, Inc., is prepared to carry on with renewed vigor its effort to prevent legislation which would encroach upon rights of Cook county municipalities to rule themselves on matters of purely local concern.

Annual Meeting in May
The Association is looking forward to the annual organization meeting which will be held in Oak Park, Wednesday, May 10, the by-laws of the association calling for the annual meeting to be held the second Wednesday in May, but when this date was fixed it was overlooked that the organization of a majority of the councils in the county take place on that evening. So a few of the executives will be at Oak Park to convene the meeting in accordance with the by-laws on Monday, May 8, and will then adjourn until Wednesday, May 10, when the actual business of the association will be transacted.

There will be several educational features on the program. All civic organizations of the county and taxing bodies are invited to send representatives to the meeting whether members of the association or not. An opportunity will be given to those who desire to join the association in the cause of the preservation of home rule to attend the meeting and become affiliated with the organization. This includes park districts, township boards, school boards and organizations of every kind interested in civic affairs.

The executive committee which nominates officers have named the following for submission to the convention:

President, Walter P. Saunders, president of the village of La Grange, and executive vice president since the formation of the organization.

Vice Presidents, Charles H. Bartlett, president during the present year and Mayor of Evanston; Henry W. Tolsted, president of the village of Maywood; Frank Kasten, mayor of Blue Island; George W. Mulrooney, trustee of the village of Elmwood Park; William A. McKee, mayor of Park Ridge.

Secretary, Jacob E. Dittus, attorney for the village of Maywood.

Treasurer, George R. Gold, mayor of Forest Park.

For the executive committee it is planned to have submitted to the association a proposition to increase the membership from five to ten members in addition to the officers.

Those nominated are: Charles F. Baumrucker, president of the village of River Forest; William Brooks Moulton, president of the village of Winnetka; W. Frank Walkowiak, publisher, Summit; D. A. Nield, president of Cook County Farm Bureau; and J. W. Mahaffay, mayor of Palos Park.

Should the association agree to the increase of the membership of the executive committee, the following names will be presented: Joseph Cerny, mayor of Cicero; Frank Bruggemann, mayor of Harvey; Willis McFeely, president of the village of Oak Park; Julius D. Flentje, president of the village of Arlington Heights; and Frank Novotny, mayor of Berwyn.

Mr. and Mrs. Landmeier Celebrate Anniversary

April 22, 1933 in the Elk Grove school house beginning at 6:30 p. m., a memorable event was celebrated the 25th anniversary of the marriage of Mr. Barney Landmeier and his wife Caroline, nee Garlisch. Over 200 guests had been invited who filled the spacious room of the school house at the appointed hour. The venerable couple surrounded by their children, Harvey and his wife, Esther, Evelyn, Clarence and little Roger, were attended by the witnesses of 25 years ago. Fred Heuer, John Garlisch, and Mrs. Martha Kranz, nee Garlisch.

Rev. H. L. Barth of St. John's church had charge of the religious services. Mr. Albert Landmeier and Mr. Alfred Landmeier sang two duets: "The Sweetest Story Ever Told" and "I'm Afraid to Come Home in the Dark" which were well received. After the religious ceremonies, all went to the dining room where a delicious repast was served.

The music for the evening was furnished by the Heinie Bros. which all enjoyed immensely. Dancing was the feature of the evening. Mr. Landmeier is a staunch member of St. John's church, being a member of the Council, and Mrs. Landmeier is a teacher in the Sunday school. Let us hope that the venerable couple may live to celebrate the 50th anniversary of their jubilee.

Mary and Martha Banquet is May 18

The Mary and Martha S. S. class of the First Evangelical church of Bensenville are to sponsor a Mother and Daughter banquet in the church dining rooms May 18 and the Men's class, known as the Baraca class, will serve. A real banquet is being arranged for and a splendid program will be rendered at table after the eats are finished.

Those who have attended the Father and Sons banquets at this church will remember what wonderful times were had and will also want to take part in this banquet for our mothers and sisters. As only 100 can be seated in the dining room only that number of tickets will be sold, so be sure and see that you get yours before they are all sold. Price 35c. What a wonderful opportunity for mothers and daughters to meet together and enjoy a real evening of entertainment. Don't forget the date and get your tickets now.

Evangelical Federation Meeting Well Attended

The Spring meeting of the Arlington Heights federation of Evangelical women, which was held last Thursday, April 20, at Hanover church, was very well attended, there being 206 who registered. The members of Hanover and Rev. and Mrs. Meyer proved themselves as very good hosts and hostesses and the day will long be remembered by all who attended.

The district president, Mrs. E. H. Eilers, was the speaker on the morning's program. Her address was based on the practical work of the six departments of work. The delegates and members of the local church were given advice and encouragement to carry on their work for high aims in spiritual building. The first that is necessary being education, which should develop religious living, being missionary minded, recognizing stewardship, engaging in welfare work, and being mindful of our duties in Christian citizenship.

In the afternoon, Miss Hedwig Schaeffer, a missionary on furlough from India, spoke on the Synodical emphasis: "The World Task of the Church," from the angle of missions. She said that the churches do not only give toward missions, but also receive encouragement and enlistment in doing missionary work. She also told of her personal contact in work with Mrs. Katherine Goetsch, in whose memory the Evangelical Women's Union is contemplating to erect a bungalow for missionaries in India.

The fifth national convention of the Evangelical Women's Union will convene at Buffalo, N. Y., on June 27-30. Several local societies will be represented by an official delegate and visitors. Mrs. Bertha Voeks, the president, or Mrs. Anna Magers, the secretary of the federation are to represent the Arlington Heights federation.

The summer meeting of the federation will be held at Plum Grove, Rev. Buehler, pastor, near Palatine in July. The fall meeting will be held at Bensenville, Rev. Wagner, Pastor.

Tiogas Prepare for Big Base Ball Year

In a couple of practice games last Sunday the two Tioga teams showed that they expect to do this coming season. The second team defeated Itasca while the first team shut out Bellwood. Since last season Tioga Athletic Club have extended their boundary lines so that this year they were able to solicit membership from a much larger territory and the outcome is that they have several new members who desire to play on the team this year.

From the actions of some of the newly acquired men they remind you of the new additions to the White Sox team. A much stronger league will be assembled this year and have to play some real baseball to equal the White Sox start in the American league. Next week we should be able to give our readers some definite information regarding the teams and starting time of the season.

Date Set for Visit To Century of Progress; All School Children

Friday, May 12 will be a red letter day in the lives of school children of all the schools of Cook county, for on that day they are the guests of the Fair association. City, parochial, rural and village pupils are invited. Pupils, teachers and drivers of cars transporting children will be admitted free to the grounds. Undoubtedly the fair will be the finest ever seen by young or old, and it is a treat the children will think and talk about the rest of their lives. Parents are urged to cooperate with County Supt. Aken, and the teachers in making this day a real success.

At 11 a. m. a pageant will be staged by the Morton Grove Public School depicting the "Achievement Work" of the Cook county schools. This will be held at the front of the Hall of Science facing the lagoon. Following the program everyone is free to roam about at will.

LEE INDICTS ATTITUDES OF BIG BUSINESS

Unsocial Actions One
Cause of Depression
Economist Says

(Mt. Prospect Review)

What caused the depression? Technological developments in this country as well as in the world, plus a disregard on the part of "big business" for the ordinary Christian morals of conduct, is the charge of Dr. Judson F. Lee, economist, who expressed his views in the Sunday Evening Club this week.

He will continue his presentation of his version of the causes of the evident breakdown in the economic system which reached the height of its momentum in 1929, at the next meeting of the club next Sunday evening. All interested residents and guests in Mt. Prospect are cordially invited to attend.

Dr. Lee introduced his opinion with the expression of his belief that the depression was not caused by any one single factor, such as the much talked of technological unemployment and other developments. The technocrats, he explained, have some basis for their beliefs, but it is his conclusion that this factor was but one while the other main cause was the "utter unsocial attitude and actions of the larger business interests." This attitude has been existent during the upbuilding of the large business interests and was an important factor in the rapid breakdown during the years following the first stock market collapse in October 1929, he said.

Details of Operations

Dr. Lee's indictment of those business interests which he charges with an unChristian and antisocial attitude was complete and replete with details of methods and operations used by many of the outstanding business organizations that have ceased operations during the last few years.

His first address Sunday evening dealt chiefly with five main evidences of moral delinquency in business.

For instance, he pointed out the almost universal practice of real estate bond houses that habitually issued and sold bonds amounting to more money than the buildings constructed cost. In many instances he said, the owner came into possession of the property without investing one cent of cash, and the bond houses made fat commissions. The capital was provided by bond buyers and the interest and principal was met by mortgages of the properties. When loan rates inevitably arrived the entire financial structure, so built up, collapsed like a house of cards and left the bondholders with little or no equity.

Costly Receiverships
Furthermore, in case of foreclosure, Dr. Lee pointed out, there have been enormous and excessive costs of reorganization. The excessive costs went to receivers, lawyers and accounting firms. As an example Dr. Lee cited one case where the cost of receivership was \$146,000. Later a court found that had the receivership been handled properly the cost should not have been more than \$12,000.

Another practice denounced by Dr. Lee was that of purchasing corporations by bond or financing houses at certain prices and then immediately issuing bonds for more than the actual value of the business. He cited as an example the purchase of the Dodge Brothers automobile business by Dillon Reed and Co., for \$146,000,000. Dillon, Reed and Co. immediately sold bonds to the amount of \$161,000,000, leaving a neat profit in addition to commissions, of \$15,000,000.

Another breakdown in business morality was cited by Dr. Lee who told of an underwriting concern that advertised and gained the confidence of the public by its record of never handling a stock or bond issue that had not paid dividends or interest for 35 years consecutively. This business, during the boom years in the late 'twenties sold over-valued securities to anyone who would buy.

Withholds Important Facts

Still another instance of the moral breakdown in business during the predepression years, Dr. Lee said, was that of a large New York banking institution that deliberately withheld important information regarding a bond issue that would materially reduce the market value of the bonds. Yet, at the same time, this bank was recommending the purchase of these bonds to its customers.

All business institutions, Dr. Lee declared, have a three-fold obligation—to the stockholder, to the worker and to the public. If they discharge all of these obligations a business deserves to prosper.

Dr. Lee called attention to the fact that the interests of both capital and labor are much more identical than the public ordinarily thinks.

This subject will be discussed again next Sunday evening and Dr. Lee will probably spend the greater part of his time answering questions that may be brought up by his listeners.

Bensenville to Employ Two Cops

At a special meeting of the Bensenville village board this week, it was decided to employ two police officers. Herman Wagner, Jr., will be the day force and Henry Kolze will be the night man. Otto Grobe has been acting as police officer since our former policeman, Jack Frost, resigned about a weeks ago.

Ringley Reports Favorable News to DuPage Veterans

(By County News Service)
James P. Ringley, department commander of Illinois, for the American Legion was guest of honor at a special meeting held Friday night by the Villa Park post of the legion, which was really a county wide gathering of legionnaires and officers of the organization. The state commander brought back important legion news from Washington where he had conferred Thursday with the two U. S. Senators and General Hines of the veterans bureau.

"We obtained the promise of the general that not a single veteran would be transferred from Elgin or other hospitals for mental treatment until equal treatment had been arranged for elsewhere," said Commander Ringley.

"Only the day before we had conferred with Governor Henry Horner who had promised us fifteen minutes time to discuss the proposed transfer of many mental cases from proper hospitals to other institutions where their proper care was not possible. The governor spent an hour and a half with us and then wired both United States senators at Washington arrange for a conference the next day with General Hines and further if we did not get satisfaction from the General to arrange a conference for us with President Roosevelt," revealed Ringley in concluding his remarks.

Other talks on this subject were members of the party in Washington are: Edward A. Hayes, vice chairman of the national rehabilitation committee; Guy Bommer, superintendent of veterans welfare, state of Illinois.

Among the prominent guests at the legion meeting were: Eddie McGinnis, vice commander Cook county council; Charles Dunham, former county commander of Downers Grove; Clifford Wimpers of Lombard, county adjutant; Captain Edward E. Brazelton, Elmhurst aviator.

Thornwald Jacobsen of Villa Park was acting toastmaster of the meeting which was attended by several hundred veterans.

Two Candidates File for County Highway Exams.

(By County News Service)
Two candidates have already appeared and placed their application with the County Clerk for a chance at the examinations to be held to select a candidate for the appointment as county highway engineer, the post now held by E. L. Gates. They are: C. H. Rich of Glen Ellyn and Harry Mahood of Villa Park. The board must select from three to five names to be submitted to the state highway department who are to compete in examinations for qualification as highway superintendent. It is understood that Mr. Gates need not compete as he has on previous examination qualified.

Old People's Home Financial Report Is Encouraging

The Evangelical Lutheran Old People's Home in Arlington Heights is pulling through the depression well, according to a financial report given delegates from the some fifty member congregations of the Missouri Synod meeting Monday night at the Hotel Sherman in Chicago.

Receipts for the past year were \$36,644; expenditures \$35,557, the secretary, Rev. A. B. Wangerin, reported.

Hanover Dodgers Win First Game

Coming from behind to wipe out a 4 run lead, the Hanover Dodgers defeated the Elgin Nationals 7-5 on Sunday afternoon at Rahl's Park. Liesberg's triple with 2 on in the eighth was the deciding blow.

The Nationals got off to a 4 run lead on 2 errors, 2 hits and a walk. The Dodgers came right back with 3 in their half when Karner tripled with the bases loaded. The Dodgers tied it up in the 5th and forged ahead in the 6th, but the Nats came right back in the 7th and tied it up again. This set the stage for Liesberg's triple and the ball game.

Next Sunday the Hanover Dodgers play the Hollywood Cubs in a 2:30 o'clock engagement at Hollywood.

Nationals.....400 000 100-5 6 2
Hanover.....300 011 02x-7 9 2
Doubles: Cooper and Mulrony.
Triples: Karner (2), Liesberg (2).
K. O. by Schrieber (15), Bohne (9).
Walks by Schrieber (6), Bohne (5).

BOMB ROCKS COUNTRYSIDE; WRECKS PAVER

The bombing of a concrete mixing and paving machine about 1:05 a. m. Wednesday, at Wolf and Foundry roads, made a blast felt for miles around. Parts were blown over a radius of 450 feet. The bomb had been placed deep in the machine underneath the drum, so as to cause the most destruction possible, the motor of the machine being included in the damage. The machine had stood all winter at the same place by the barnyard of Mike Zeravich, tenant on the Lauer farm. The blast rocked the house as with a tornado, broke windows, and caused articles in the house to move from one place to another.

The paver belonged to the Mindre Construction company of Chicago. Another machine standing near MacDonald road, about a mile north, belonging to the Pickus contractors was bombed about the same time.

JUDGE KNOCH EXPLAINS NEW TAX TRANSFER

Villages to Collect Own
Assessments; Saves
County \$35,000

County Judge Wm. G. Knoch was a speaker before the board of supervisors last Friday. He discussed the proposed changes in the tax collection laws which will eliminate many duties and much expense now charged to County Treasurer, Retta K. Martin, and County Clerk, Clarence V. Wagemann. This proposal would transfer the collection of special assessment delinquents from the county to the cities and villages where the assessments originate.

In his talk Judge Knoch estimated that about \$35,000 could be saved for the county if this could be done. At the present the county is spending thousands of dollars for the printing of delinquent notices. The new proposal would shift this to the municipalities. Further figuring interest and penalties and the making of new rolls always calls for an additional office force and expense at the courthouse. This would also be eliminated.

This proposal is now before the State Legislature awaiting its sanction. It is known as bills 608, 609 and 610. The plan which has received endorsement all over the state had its origin in DuPage county and has been pushed by the county officials and the DuPage county board.

Last week a delegation journeyed to Springfield when Judge Knoch went before the Senate committee on municipalities and explained its purpose and its merits. This committee reported in favor of the plan where Judge Knoch was called and spoke for 20 minutes to that body.

Its passage is virtually assured.

Want to Retain Relief Head, Tho' Contrary to Custom

(By County News Service)
The DuPage County Emergency Relief committee meeting in Glen Ellyn, last Friday evening refused to accept the resignation of its chairman, W. H. Baethke. The chairman of the county board automatically becomes county relief committee chairman.

Some think that although Mr. Baethke has to relinquish his position with the board of review and other county organizations, he can be retained as head of the county relief committee unless reason is found to ask for his resignation or his committee decides to accept his offer to resign.

Lake Shore State Teachers' Meeting Very Well Attended

Before the largest group of teachers ever assembled in a Lake Shore meeting of the State Teachers' association, Wm. T. Foster, director of the Pollack Foundation for Economic Research, and Rufus Von Klein Smidt, president of University of Southern California, gave inspiring addresses.

In the business session at the close of the meeting a resolution was passed urging the seeking of a loan from the Reconstruction Finance Corporation, using warrants as collateral with which to pay up back salaries of teachers.

Among the new group chairman elected for the coming year was Noble Puffer, director of education of Division One schools, who was elected chairman of the Rural Teachers' section.

Daylight Savings Time Next Sunday Morning

As usual on the last Sunday in April, Daylight Savings Time will begin next Sunday morning, and those who wish to get to church will want to set their clocks accordingly.

ITASCA BOARD ORGANIZES FOR COMING YEAR

Schroeder Gives Reins to
Luehring; McClay
Resigns

The change in the leadership of the Itasca village government was made Saturday night when Dr. F. W. Schroeder transferred the reins which he held for twelve years to the successful candidate for the presidency at the recent election, Mr. Henry Luehring.

Leaving the board along with Dr. Schroeder were Carl von Gunten, R. E. Freeman and Earl H. Pries. Along with Mr. Luehring, the following board members were sworn in, Fred Kueker, Elmer Wyse, E. N. Lake and Edward Bicknese.

The new appointments for the coming year have not yet been made, but will be when the president and trustees meet next Tuesday night.

The old board tendered a vote of thanks and appreciation to the outgoing mayor for the leadership and service he has given to the village of Itasca. He was also presented with a gift by friends in recognition of these services.

Wallace MacLay, head of the Itasca police department, handed in his resignation, stating that he was actuated with the feeling that the best interests of Itasca would be served in the long run by such a course. No action was taken on this resignation, however, by the new board.

The program of the new mayor will probably be made known at the meeting Tuesday.

Roselle's First Home Bakery Opens Saturday

Roselle now has a regular home bakery. The new bakery has been established by Julius Farney and is located next door to the Economy Cash Market. The grand opening date is announced for Saturday, April 29. On this day a complete line of home baked breads and pastries will be on display ready to do justice to your appetite. Free bread or coffee cake will accompany every individual purchase.

Mr. Farney was told that he was quite an optimist to launch a new enterprise such as this at this time. His reply was that he believes the people of Roselle desire honest to goodness home baked products and will support such an enterprise. It is now up to the people of Roselle.

Big Money in New Bank Business

A Lesson in Mathematics
The Chicago Daily Tribune of April 25, carried a very interesting problem in mathematics under the heading of "State Auditor Reports on 19 Closed Banks." In looking at the article over we could not help but notice the vast amount of depositors' money that was being taken from their pockets and placed in the hands of Attorneys and Receivers. These two items added to one other important item "Clerical and Miscellaneous Expense" seem to take most of the money found in a closed bank. And then one wonders if bank failures are not a profitable business for some one.

The depression may have closed thousands of banks and taken the life savings of hundreds of thousands of working people, but it put a lot of extra money into the pockets of these professional people who have a way of knowing about how much a closed bank can be forced to dig up for division among them.

And still there are people still making money out of the illegitimate sale of liquor. We are wondering if they have noted this new field that the depression opened up when it closed our banks of the country. Perhaps they, too, will turn to that avenue of making big money.

Palatine Scored The Score is 9 to 6

The Roselle Tigers won their first game of the season by defeating the Palatine Indians by a score of 9-6.

The Indians immediately started things going, getting two runs in the 1st and two in the 2nd. Roselle not being so successful, managed to score three runs in the 2nd, to be on the losing end of a 4 to 3 score. Palatine kept the lead until the 5th inning, when the Tigers started their offense, to win by a slight margin of 9 to 6.

The batteries for Roselle were C. Benhart and P. Wiese. Wiese allowed 11 hits, striking out 8, and walking 2.

The batteries for Palatine were Smith, Langharts and Helm. Langharts allowed 4 hits, striking out 2, and walking none. Helm allowed 7 hits, striking out 4, and walking 2.

Next Sunday the Tigers will play the Itasca Colts at Roselle at 2:30.

N.W. Lies Is New County Chairman; Benhart, Kelly Sent In Choice Positions

Roselle People
Await Policies
Of New Mayor

Until the reorganization meeting next Tuesday night when John G. Schellenberg, the successful candidate for mayor at the recent election takes over the guidance of the local government, the people of Roselle are to remain in the dark as to new plans, policies and appointments. Perhaps this is as it should be. In the long run it is better that announcements are made officially and that policies start from sources of responsibility.

Although two new members will make their appearance on the new board, there are four who will be seasoned in the ins and outs of village government. Thus the new board will not be handicapped for lack of knowledge and experience.

ARREST THREE NILES CENTER BANK ROBBERY

Local Police Department
Perseveres Until Results Follow

A solution of the robbery of the First National Bank of Niles Center, and of the fatal shooting of the cashier, Harry Mueller of Morton Grove on April 7, appears to be about complete, due to the persevering efforts of Chief of Police Charles Holmes of Niles Center. He cooperated with Chicago police and Captain Dan Gilbert, chief investigator of the state's attorney's office, and was assisted by Sergeant Jacob Barg and other members of the Niles Center police department.

Three of the four bandits are believed to be men in custody by Chicago police, and a fourth is being sought. While at the Chicago detective bureau, one of the captured suspects, John Scheck, aged 21, 5040 Wellington avenue, Chicago, made an attempt to escape, and shot a detective in the ankle. Chief Holmes being present, overpowered the prisoner before he could fire again. Scheck and Frank Keglewitz, 24 years of age, 2831 North Broadway, Chicago, were told on by one Carl Grundhofer, 20 years of age, living at 3307 N. Keating avenue, Chicago.

Officers in the bank and other witnesses to the robbery have identified them as the robbers. These witnesses include Leonard Bauman, assistant cashier, Miss Jeanette Reusch, clerk; John Meier, Tetsville village clerk; Mrs. John Munch of Niles Center, and Gilbert Juern, Morton Grove.

Arrest followed after Scheck paid \$1,100 cash for a new car. Grundhofer, associate of Scheck, who was questioned, confessed, and said that Scheck had held out \$2,000 which he had not split with the others; that the amount split was only \$3,000, each partner getting \$750. The amount taken from the bank was \$4,969.84, a check-up showed.

Regarding the shooting, in which the cashier was fatally wounded when he entered the bank after lunch, just as the robbers were going out, Grundhofer, who was on guard at the door, said Mr. Mueller was shot when his gun went off "accidentally."

York Township Lacks Full Quota Of Supervisors

(By County News Service)
The resignation of Theodore F. Wendt, assistant supervisor of York township, was presented and accepted by the county board last Friday. Yorktown late this week had not selected or appointed his successor.

It is reported that Mr. Wendt, who sponsored the commission form of government in the county some months ago, will devote his time towards promoting a change in county government.

Palatine Constables Clash, But They Are Still Good Friends

Constable George Meyer learned this week that even a constable must look where he is going when he backs out of his driveway and Constable Chas. Folz has learned that his star does not protect his car when there is another constable about.

It all happened on North Broadway street one day this week. Mr. Folz, a police officer, was patrolling the streets in his car, looking for clues, when suddenly the Meyer car appeared immediately in front of him. The damages were not great and no arrests were made.

By a sweeping vote of 22 to 13, N. W. Lies, Roselle, Supervisor representing Bloomington township, was elevated to the chairmanship of the county board in the meeting at Wheaton last Friday. That he is the popular choice both on and off the board was made obvious not only by the magnificent vote he received over his worthy opponent, W. H. Baethke of Milton township but equally by the flood of congratulations extended him and the sincere homage tendered him immediately following his victory.

It was the victory of a man who has given eighteen years of genuine service to his own township and to DuPage county, a man who has been tried in many a crisis and has met the test each time in the spirit of true statesmanship. The vote he received was not sectional, it came from every portion of the county which indicates that his abilities and character are widely known and highly respected.

But the chairmanship is no new experience for Mr. Lies. Since 1922 he has served in that capacity continuously with the exception of two terms. He has been serving on the DuPage county board since 1915 and has stood ten times for election in Bloomington township without defeat. He was returned to the board this spring by a vote of more than 2 to 1. His victory Tuesday, again reflects prestige and honor on the people of Bloomington township.

The first meeting of the county board presided over by the new chairman, N. W. Lies was rather different from meetings during the last several years. Even the manner of inducing the chairman was almost a ceremony. A large basket of flowers was presented to the new head by court house employees and county officers. Cigars were passed around, candy for the ladies present—in fact it was almost a celebration.

As to the meeting itself, it was extremely business like. There was no argument or waste of time and the supervisors were kept strictly to the subject before them. A warning note was issued by Mr. Lies to all present which indicates that a change of policy is due under his leadership.

"I will not have the board meetings clogged up with matters that do not concern the supervisors. Any petitioners that have any business to be brought before the board must be presented by their respective supervisors."

Second to importance to the naming of the county chairman at a reorganization meeting is the appointment of the standing committees. These committees are to the county board what Congress is to our national government. They keep our county government functioning. The composition of these committees and their heads are determined by the Chairman of the County Board.

The good judgment of Mr. Lies in naming these committees and their heads has been commented upon by many. The supervisors of Addison township have all been placed in responsible positions. On the powerful and most important committee on the board, the Finance committee, was placed Supervisor Senf. On the County Farm and Almshouse committee we find Supervisor Benhart and as Chairman of the very important committee on roads was placed Supervisor Kelley. The representatives of Addison township thus formed an important cog in the wheel of government of DuPage county.

Standing Committees

Finance—Foster, Senf, Gary.
Claims, Fees and Salaries—Baethke, Specht, Stoner.
Court House, Grounds and Supplies—Hull, Schultz, Hayer.
County Farm and Almshouse—Andrus, Benhart, Kautz.

Will Palatine People Ever Learn That It Is Safer To Place Their Bets at Home?

In spite of the fact that the attention of Palatine people was recently called to the fact that placing horse bets in Palatine has been 100 per cent safe the past few years, they will take their business to State and Rand roads, which was raided two months ago and again April 15.

SUBURBAN GROUP PLAN BIG MEETING

Officers To Be Elected May 10; To Lead in Home Rule Fight

With local elections in Cook county municipalities out of the way for this year, and as a result of these elections the executive committee and official board of the organization remaining intact, to head the battle to retain Home Rule, the executive committee of the Suburban Area and County Towns Association of Cook County, Inc., is prepared to carry on with renewed vigor its effort to prevent legislation which would encroach upon rights of Cook county municipalities to rule themselves on matters of purely local concern.

Annual Meeting in May

The Association is looking forward to the annual organization meeting which will be held in Oak Park, Wednesday, May 10, the by-laws of the association calling for the annual meeting to be held the second Wednesday in May, but when this date was fixed it was overlooked that the organization of a majority of the councils in the county take place on that evening. So a few of the executives will be at Oak Park to convene the meeting in accord with the by-laws on Monday, May 8, and will then adjourn until Wednesday, May 10, when the actual business of the association will be transacted.

There will be several educational features on the program. All civic organizations of the county and taxing bodies are invited to send representatives to the meeting whether members of the association or not. An opportunity will be given to those who desire to join the association in the cause of the preservation of home rule to attend the meeting and become affiliated with the organization. This includes park districts, township boards, school boards and organizations of every kind interested in civic affairs.

The executive committee which nominates officers have named the following for submission to the convention:

President, Walter P. Saunders, president of the village of LaGrange and executive vice president of the formation of the organization.

Vice Presidents, Charles H. Bartlett, president during the present year and Mayor of Evanston; Henry W. Tolsted, president of the village of Maywood; Frank Kasten, mayor of Blue Island; George W. Mulrooney, trustee of the village of Elmwood Park; William A. McKee, mayor of Park Ridge.

Secretary, Jacob E. Dittus, attorney for the village of Maywood.

Treasurer, George R. Gold, mayor of Forest Park.

For the executive committee it is planned to have submitted to the association a proposition to increase the membership from five to ten members in addition to the officers.

Those nominated are:

Charles F. Baumrucker, president of the village of River Forest; William Brooks Mouton, president of the village of Winnetka; W. Frank Walkowiak, president, Summit; D. A. Nieldfield, president Cook County Farm Bureau; and J. W. Mahaffay, mayor of Palos Park.

Should the association agree to the increase of the membership of the executive committee, the following names will be presented: Joseph Cerny, mayor of Cicero; Frank Bruggemann, mayor of Harvey; Willis McFadden, president of the village of Oak Park; Julius D. Flentje, president of the village of Arlington Heights; and Frank Novotny, mayor of Berwyn.

Mr. and Mrs. Landmeier Celebrate Anniversary

April 22, 1933 in the Elk Grove school house beginning at 6:30 p. m., a memorable event was celebrated the 25th anniversary of the marriage of Mr. Barney Landmeier and his wife Caroline, nee Garlich. Over 200 guests had been invited who filled the spacious rooms of the school house at the appointed hour. The venerable couple surrounded by their children, Harvey and his wife, Esther, Evelyn, Clarence and little Roger, were attended by the witnesses of 25 years ago, Fred Heuer, John Garlich, and Mrs. Martha Kranz, nee Garlich.

Rev. H. L. Barth of St. John's church had charge of the religious services. Mr. Albert Landmeier and Mr. Alfred Landmeier sang two duets: "The Sweetest Story Ever Told" and "I'm Afraid to Come Home in the Dark" which were well received. After the religious ceremonies, all went to the dining room where a delicious repast was served.

The music for the evening was furnished by the Heine Bros. which all enjoyed immensely. Dancing was the feature of the evening.

Mr. Landmeier is a staunch member of St. John's church, being a member of the Council, and Mrs. Landmeier is a teacher in the Sunday school. Let us hope that the venerable couple may live to celebrate the 50th anniversary of their jubilee.

Date Set for Visit To Century of Progress; All School Children

Friday, May 12 will be a red letter day in the lives of school children of all the schools of Cook county, for on that day they are the guests of the Fair association. City, parochial, rural and village pupils are invited. Pupils, teachers and drivers of cars transporting children will be admitted free to the grounds. Undoubtedly the fair will be the finest ever seen by young or old, and it is a treat the children will think and talk about the rest of their lives. Parents are urged to cooperate with County Supt. Aken and the teachers in making this day a real success.

At 11 a. m. a pageant will be staged by the Morton Grove Public School depicting the "Achievement Work" of the Cook county schools. This will be held at the front of the Hall of Science facing the lake. Following the program everyone is free to roam about at will.

MORTON GROVE BOARD MAKES APPOINTMENTS

New Personnel in Village Offices; Salaries Reduced

What might well be termed a "new deal" in village government was launched auspiciously in Morton Grove Tuesday night when the new village board was organized under the leadership of Herbert A. Dilg, successful candidate for reelection at the polls by popular choice. The people of Morton Grove had also elected Max Finke, W. P. Kirscht and Fred L. Huser along with the head of the board, which has provided a working majority and an opportunity to accomplish much for the good of all.

The appointive recommendations submitted to the councilmen for approval carried in every case.

The new officials are:

Clara Mueller, treasurer; Fred Pollex, collector; William Schiller, water works superintendent; Geo. Fredricks, motorcycle officer; Nels Swanson, patrolman; Henry Hylberg, assistant patrolman; John Koller, Jr., fire marshal; Adolph Poehner, building commissioner; Henry Eckhardt, utility man; Felix Hoffman, assistant utility man; Henry Brandt, janitor; Math Yehl, park superintendent.

The new board of health is composed of Frank Rink, Dr. S. D. Sarkissian, Casper Hildebrandt, Richard Weigh and Alvin Peters.

In addition to this, a program of public economy was set in motion at once. Salary reductions amounting to approximately \$3,800 were recommended and were approved by the board.

About 200 Morton Grove citizens were in attendance at the meeting.

Mothers Meeting Well Attended

Thirty mothers of Lincoln third grade pupils attended the third meeting of a series of child study programs, sponsored by R. E. Cote, teacher, principal. The meeting was held in the cafeteria which was nicely arranged for the occasion.

Miss Martha Olson, supervisor of School District 75, Evanston, was the speaker. "Ways and means of promoting a closer relationship between home and school" was the basis for her discussion.

Mrs. Charles Beard and Mrs. W. G. Ingram, substituting for Mrs. R. F. Von Gillern, were room mother assistants to the teachers, Mrs. Agnes Humburg and Miss Dorothy Miller. Mrs. Humburg was group chairman.

To Celebrate Golden Wedding of Mr. and Mrs. Adam Weidner

On Monday, May 1, Mr. and Mrs. Adam Weidner will celebrate their golden wedding in St. Mary's church, Buffalo Grove.

Solemn High Mass will be sung by their oldest son, Rev. Martin P. Weidner, assisted by Rev. Chas. Mertens of Buffalo Grove, and Rev. A. J. Vollman of Johnsonburg, Ill. Sister Mary Cordelia of Cleveland, Ohio, and Sister Mary Estelle of Columbus, Ohio, two daughters, who are Franciscan nuns, will also be present. Besides the other formal children and their families will take part. They are Carl T. of Wheeling, Dr. Hubert of Chicago, Gerald A. of Chicago and Mrs. Edith Hertel of Wheeling. All seven children are living, also 8 grandchildren.

Both Mr. and Mrs. Weidner were born at Wheeling and have always lived there. Mr. Weidner has owned and worked his own farm the entire 50 years of his married life—perhaps a record for Cook county, if not for the entire state. Both are well and still active in farm work.

The golden wedding dinner will be held at noon in the Union Hotel at Wheeling where a large gathering of relatives and friends are expected. In the evening a general reception for all old neighbors and friends will be held at the Weidner farm on the McHenry road near Buffalo Grove.

LEE INDICTS ATTITUDES OF BIG BUSINESS

Unsocial Actions One Cause of Depression Economist Says

(Mt. Prospect Review)

What caused the depression? Technological developments in this country as well as in the world, plus a disregard on the part of "big business" for the ordinary Christian morals of conduct, is the charge of Dr. Judson F. Lee, economist, who expressed his views in detail at the Sunday Evening Club this week.

He will continue his presentation of his version of the causes of the evident breakdown in the economic system which reached the height of its momentum in 1929, at the next meeting of the club next Sunday evening. All interested residents and guests in Mt. Prospect are cordially invited to attend.

Dr. Lee introduced his opinion with the expression of his belief that the depression was not caused by any one single factor, such as the much talked of technological unemployment and other developments. The technocrats, he explained, have some basis for their beliefs, but it is his conclusion that this factor was but one while the other main cause was the "utterly unchristian attitude and actions of the larger business interests." This attitude has been existing during the upbuilding of the large business interests and was an important factor in the rapid breakdown during the years following the first stock market collapse in October 1929, he said.

Details of Operations

Dr. Lee's indictment of those business interests which he charges with an unchristian and antisocial attitude was complete and replete with details of methods and operations used by many of the outstanding business organizations that have ceased operations during the last few years.

His first address Sunday evening dealt chiefly with five main evidences of moral delinquency in business.

For instance, he pointed out the almost universal practice of real estate bond houses that habitually issued and sold bonds amounting to more money than the buildings constructed cost. In many instances he said, the contractors made huge sums, the owner came into possession of the property without investing one cent of cash, and the bond houses made fat commissions.

The capital was provided by bond buyers and the interest and principle was met by excessive rental charges. When lower rates inevitably arrived the entire financial structure, so built up, collapsed like a house of cards and left the bondholders with little or no equity.

Costly Receiverships

Furthermore, in case of foreclosure, Dr. Lee pointed out, there have been enormous and excessive costs of reorganization. The excessive costs went to receivers, lawyers and accounting firms. As an example, Dr. Lee cited one case where the cost of receivership was \$146,000. Later a court found that had the receivership been handled properly the cost should not have been more than \$12,000.

Another practice denounced by Dr. Lee was that of purchasing corporations by bond or financing. For example, Dr. Lee cited one case where the actual value of the business. He cited as an example the purchase of the Dodge Brothers automobile business by Dillon Reed and Co., for \$146,000,000. Dillon, Reed and Co. immediately sold bonds to the amount of \$161,000,000, leaving a neat profit in addition to commissions, of \$15,000,000.

Another breakdown in business morality was cited by Dr. Lee who told of an underwriting concern that advertised and gained the confidence of the public by its record of never handling a stock or bond issue that had not paid dividends or interest for 35 years consecutively. This business, during the boom years in the late twenties sold over-valued securities to anyone who would buy.

Withholds Important Facts

Still another instance of the moral breakdown in business during the predepression years, Dr. Lee said, was that of a large New York banking institution that deliberately withheld important information regarding a bond issue that would materially reduce the market value of the bonds. Yet, at the same time, this bank was recommending the purchase of these bonds to its customers.

All business institutions, Dr. Lee declared, have a three-fold obligation—to the stockholder, to the worker and to the public. If they discharge all of these obligations a business deserves to prosper.

Dr. Lee called attention to the fact that the interests of both capital and labor are much more identical than the public ordinarily thinks.

This subject will be discussed again next Sunday evening and Dr. Lee will probably spend the greater part of his time answering questions that may be brought up by his listeners.

Niles Center Woman's Club Entertains Juniors

The Niles Center Junior Woman's club was guests of the Senior club at the assembly room in the Municipal building, and what an enjoyable time they had, laughing at the comedy "Sardines" which was presented by five Senior members, displaying considerable talent as actors. This playlet had been presented at the March meeting of the club and proved so popular that it was repeated by request; Mesdames Florence K. Freund, Lucile Little, Martha Eby, Venelda Petersen (Junior Advisor) and Phoebe Biederstedt were the same talent that presented the play previously. An added feature this time, which gave a home-like atmosphere to the stage setting, was the house cat. She just walked onto the stage casually, rubbed her sides against the furniture and then lay down at ease on the luxurious rug. She did not exhibit the least sign of stage fright.

Following the playlet, several songs were beautifully rendered by twelve members, constituting the senior chorus, accompanied by Mrs. M. Friberg. The president, Miss Alma Klehm, due to an enforced absence in March, had not heard the chorus of voices, nor the playlet and expressed her great pleasure at these accomplishments.

Remarks of appreciation were expressed by Mrs. Orville Baumann, Jr. Pres. The social committee graciously served coffee and cake.

The annual May meeting and election of officers will be held Wednesday, May 5. All members are urged to attend and hear the reports and if possible pay their dues and receive their membership cards, which may perhaps give some additional privilege to Women's club affairs at the World's Fair.

Officer Sprinks Of Wheeling Nabs Two After Banditry

Quick work in arrests after a robbery at Ballard and Cumberland roads occurred Sunday afternoon when Officer Edwin Sprinks of Wheeling heard a flash from the County Highway police and about an hour later gave chase through Wheeling to a Ford coupe which proved to contain two men with firearms answering the description of those robbed, and later identified by the victims of the robbery.

The officer's story follows:

"April 23, at 1 p. m., Sergeant La Verne Rowder of the County Highway Police sent a police radio flash to be on the lookout for two men in a Ford coupe who had just robbed four men in a sedan at Cumberland and Ballard roads, taking money, valuables and jewelry, and threatening them with shotguns and two pistols.

"At 2 p. m. I sighted a Ford coupe and thru the descriptions I gave chase thru Wheeling and arrested two men, with a loaded shotgun and two pistols, who have been positively identified by their victims. The men's names are:

"Cliff Ryan, aged about 35 years, and Ted Ryan, aged about 40 years, both of Leyden township. I turned both prisoners over to St. Rowder, highway police. The prisoners were held for \$10,000 bail for highway robbery with a gun."

Old People's Home Financial Report Is Encouraging

The Evangelical Lutheran Old People's Home in Arlington Heights is pulling through the depression well, according to a financial report given delegates from the some fifty member congregations of the Missouri Synod meeting Monday night at the Hotel Sherman in Chicago.

Receipts for the past year were \$36,644; expenditures \$35,557, the secretary, Rev. A. B. Wangerin, reported.

Father of County Commissioner Byrd, Is Passed Beyond

County Commissioner Homer J. Byrd was called away over Sunday to attend the funeral of his father, Mr. Andrew Jackson Byrd, at Bluffton, Indiana. The elder Mr. Byrd passed away Friday at the age of 70, leaving eight children. He was a descendant of Col. William Byrd, who settled in Virginia in the year 1640.

The blast rocked the house as with a tornado, broke windows, and caused articles in the house to move from one place to another.

The paver belonged to the Minder Construction company of Chicago. Another machine standing near MacDonald road, about a mile north, belonging to the Pickus contractors was bombed about the same time.

VETERAN FIRE DEPT. CHIEF IS HONORED

W. G. Ost Retires; Term of Father and Son Over 40 Years

Wm. G. Ost, veteran member of the Palatine Fire Department over a quarter of a century, was elected honorary fire chief and presented with a gold badge last Friday night by that body. It marked the culmination of an Ost reign in fire department affairs that started 40 years ago.

During all these years a Chief Ost has been at the head of the fire department. The late Chas. W. Ost, father of W. G. Ost, became fire chief in 1893, serving until 1916, when his son, who had been his assistant many years, was elected to the high post.

History repeated itself last Friday night when the fire department presented the token of meritorious service, an honorary fire chief badge, suitably engraved to Mr. W. G. Ost. A similar badge in the form of a watch charm had been presented for a similar reason to his father 17 years ago.

That charm was worn by Mr. Ost that evening when he unspectacularly attended what he thought was his last fire meeting. Following the business session, it was suggested that the newly elected fire chief take the retired chief up on his last fire truck ride. That ride ended at a local tea room where a surprise chicken dinner provided by the Des Plaines, Cook County Mutual Fire Insurance Co., awarded Mr. Ost and the members of the company.

McIntosh Offers Free Gardens to Local People

Wm. H. DePue, local representative of Arthur T. McIntosh & Co., says that Mr. McIntosh has set aside a few blocks of property on Hellen road west of the bridge and anybody living in Palatine who wants a garden can have free use of one of these lots for gardening. Any person willing to avail themselves of this opportunity, can do so by calling on Wm. H. DePue, Chicago avenue and Northwest highway.

Daylight Savings Time Next Sunday Morning

As usual on the last Sunday in April, Daylight Savings Time will begin next Sunday morning, and those who wish to get to church will want to set their clocks accordingly.

ARREST THREE NILES CENTER BANK ROBBERY

Local Police Department Perseveres Until Results Follow

A solution of the robbery of the First National Bank of Niles Center, and of the fatal shooting of the cashier, Harry Mueller of Morton Grove on April 7, appears to be nearing complete, due to the persevering efforts of Chief of Police Charles Holmes of Niles Center. He cooperated with Chicago police and Captain Dan Gilbert, chief investigator of the state's attorney's office, and was assisted by Sergeant Jacob Barg and other members of the Niles Center police department.

Three of the four bandits are believed to be men in custody by Chicago police, and a fourth is being sought. While at the Chicago detective bureau, one of the captured suspects, John Scheck, aged 21, 5040 Wellington avenue, Chicago, made an attempt to escape, and shot a detective in the ankle. Chief Holmes being present, overpowered the prisoner, before he could fire again. Scheck and Frank Keglewitz, 24 years of age, 2831 Normandy avenue, Chicago, were told on by one Carl Grundhofer, 20 years of age, living at 3307 N. Keating avenue, Chicago.

Officers in the bank and other witnesses to the robbery have identified them as the robbers. These witnesses include Leonard Bauman, assistant cashier, Miss Jeanette Reusch, clerk; John Meier, Tessville village clerk; Mrs. John Munch of Niles Center, and Gilbert Juern, Morton Grove.

Arrest followed after Scheck paid \$1,100 cash for a new car. Grundhofer, associate of Scheck, when questioned, confessed, and said that Scheck had held out \$2,000 which he had not split with the others; that the amount split was only \$3,000, each partner getting \$750. The amount taken from the bank was \$4,969.84, a check-up showed.

Regarding the shooting, in which the cashier was fatally wounded when he entered the bank after lunch, just as the robbers were going out, Grundhofer, who was on guard at the door, said Mr. Mueller was shot when his gun went off "accidentally."

FIND PERFECT SPELLERS, MAY TOP COUNTY

Division Finals Today, Declamation, Posters, Arlington H. S.

The Hanover Township Spelling Declamation and Health Poster contests held at Ontarioville on Friday, April 21, in which eight schools participated, revealed two perfect spellers, whom Director of Education Vol. Puffer was unable to get "spelled down." The two girls, Rose Mills and Marjorie Leedle, spelled every word perfectly, including such four and five syllable words as: Adolescence, ameliorate, truculent, beneficiary, succinctly, repercussion, and rendezvous. Both girls were pupils of Mrs. Elvina Brandt of District 49, Bartlett, and from present indications may be the next county champions.

They gave a remarkable demonstration of their spelling ability before the assembled teachers. The final list from which they spelled was the one used in the finals of 1932 which even the county champion could not spell perfectly, and they spelled every word easily and promptly.

The results in the various contests in that township and Wheeling follows:

Hanover Twp.—Spelling

1st and 2nd, Marjorie Leedle, Dist. 49 and Rose Mills, Dist. 49; 3rd, Flora Meyer, Dist. 42.

Posters

First, (Painted), Karla Auer, Dist. 42; 1st (cut and pasted), Marion Alms, Dist. 44.

Declamation

First, Hazel Esch, Dist. 49.

Wheeling Township

First spelling, Ethel Stavros, Dist. 20; 2nd spelling, Wm. Blahon, Dist. 20; 3rd spelling, Dorothy Utapad, Dist. 21; 1st, poster (painted), Anna Havenga, Dist. 26; 2nd poster (cut and pasted), Bernice Grant, Dist. 22; 1st declamation, Marie Van Dyke, Dist. 26.

Division Finals Today in Arlington Heights High School

One of the Cook County schools embracing Elk Grove, Wheeling, Palatine, Schaumburg, Barrington and Hanover townships, in declamation and Health Posters, will be held at the Arlington Heights Township High School today (Friday) at 1:30 p. m. Six township champions in declamation will compete and six township champions in the two poster classes will exhibit their posters. Parents and friends are all cordially invited to be present.

Evangelical Federation Meeting Well Attended

The Spring meeting of the Arlington Heights federation of Evangelical women, which was held last Thursday, April 20, at Hanover church, was very well attended, there being 206 who registered. The members of Hanover and Rev. and Mrs. Meyer proved themselves as very good hosts and hostesses and the day will long be remembered by all who attended.

The district president, Mrs. E. H. Eilers, was the speaker on the morning's program. Her address was based on the practical work of the six departments of work. The delegates and members of the local societies received advice and encouragement to carry on their work, for high aims in spiritual building. The first that is necessary being education, which should develop religious living, being missionary minded, recognizing stewardship, engaging in welfare work, and being mindful of our duties in Christian citizenship.

In the afternoon, Miss Hedwig Schaeffer, a missionary on furlough from India, spoke on the Synodical emphasis, "The World Task of the Church," from the angle of missions. She said that the churches do not only give toward missions, but also receive encouragement and enlistment in doing missionary work. She also told of her personal contact in work with Mrs. Katherine Goetsch, in whose memory the Evangelical Women's Union is contemplating to erect a bungalow for missionaries in India.

The fifth national convention of the Evangelical Women's Union will convene at Buffalo, N. Y., on June 27-30. Several local societies will be represented by an official delegate and visitors. Mrs. Bertha Voeks, the president, or Mrs. Anna Magers, the secretary of the federation are to represent the Arlington Heights federation.

The summer meeting of the federation will be held at Plum Grove, Rev. Buehler, pastor, near Palatine in July. The fall meeting will be held at Bensenville, Rev. Wagner, Pastor.

SUPERVISOR RESIGNS FROM RELIEF WORK

Record of John H. Meyer of Palatine Receives Approval

Supervisor John H. Meyer, of Palatine township, resigned from his relief work two weeks ago and received notice this week that commencing May 1, a Miss Hart, of Chicago would handle all local relief. There will be only one office day, Wednesday, and people needing help must call at that time. The first day will be next Wednesday.

Mr. Meyer was assured by the Chicago office that all his records were clean and was highly praised for the manner in which he had handled the job. Mr. Meyer is still a farmer and with the arrival of spring work found that he did not have the time to devote to relief work. Mr. Meyer was a man who unflinchingly met the situations that confronted him, and although many of his rulings were contrary to the desires of some of the applicants, they have all admitted that he tried to be fair.

Will Palatine People Ever Learn That It Is Safer To Place Their Bets at Home?

In spite of the fact that the attention of palatine people was recently called to the fact that placing horse bets in Palatine has been 100 per cent safe the past few years, they will take their business to State and Rand roads, which was raided two months ago and again April 15.

These people and a number of citizens from other towns had the inconvenience of appearing before Judge Klusby Monday afternoon where they were fined \$5.00 and costs each; the bookie paid both, costing him way over \$100.

Arlington Heights Cemetery Meeting Next Monday Night

All who have lots in Arlington Heights cemetery and who therefore are members of the Cemetery association, should remember the meeting to be held at 8 next Monday night at the Arlington Heights State bank.

The care of the cemetery, the keeping of the records, and sending assessment notices need attention at once, and especially now, as Mr. E. N. Berbecker, who has done so much of the work, has himself passed away. It is now necessary to organize anew the essential care of the cemetery, its records and financial upkeep.

Pestiferous Beetle

The insect which attacks antique furniture as well as other types of seasoned hardwood is the lyctus powderpost beetle.

SCOUT FIRST AID TEAM WINS SECOND IN AREA

Niles Center Boys Meet Winners from Hundreds Of Miles Around

The Boy Scout first aid team from Troop 15 of Niles Center, representing the Northwest Suburban Council in the Chicago Area Contest held at the University of Chicago last Friday evening, came away from the event with second honors. Finishing just ten points behind the winners, a team from the southwest district of Chicago, the local team brought back the second place medals and the Patten trophy as the winning team among those from the north and northwest councils. This team won the privilege of representing the council at the area contest by finishing first at the contest held at the Community church in Park Ridge recently. It is the second time that they have won the local event but the first to win honors at the area contest. Competing against them in Chicago were winning teams from all Chicago districts, Suburban councils and many communities from the middle western states. The team coming the greatest distance was from Cedar Rapids, Ia.

Sixteen Teams in Contest

There were sixteen teams in all in the big contest at Bartlett Gymnasium. Four different first aid problems involving practically every type of first aid treatment constituted the competition. Each of the four team members had an opportunity to be the team's leaders in one of the problems. Members of the American Red Cross Uniformed Corps acted as judges and graded the teams upon the correctness and efficiency of their diagnoses and treatment. The local team was one of two to get a perfect rating upon the first problem.

94 was the score made on the second trial. The third and most difficult of the evening's problems brought them an 82. They closed with a rating of 92 on the final attempt. This gave them a total of 368 out of a possible 400. Troop No. 608 of the Southwest District of Chicago amassed a total of 378 to win the event. Third honors went to Troop 107 of Chicago's South central district.

Honored at Leaders' Training Course

Members of the local team and their leaders were honored at Wednesday's session of the University of Scouting at the Des Plaines Congregational church, where they gave demonstrations and instructions before the approved group. They were S. A. Stenson, scoutmaster; R. D. Grubb, assistant scoutmaster and coach of the team and scouts Robert Von Gillern, Louis Falzer, James Garner, Arden Erdman and Harold Risinger. They are the third team from the local council to become holders of the Patten Trophy. Troop 12 of Des Plaines won it in 1929 and Troop 1 of Park Ridge in 1930. The past two years it has been won by nearby councils.

Annual Athletic Banquet Reservations Can Be Made Now

As was announced last week the annual high school athletic banquet will be held in the Methodist church dining room Friday, May 5th, at 6:30. This banquet is open to the public and tickets are now on sale at 50c a plate. The ladies are asking that you kindly make your reservations by noon Thursday, May 4th. Reservations can be had from either of the ladies or from the high school from Mr. Butler or Mr. Meigel.

In addition to the banquet a suitable program is being arranged. The committee has secured three teams from the School of Speech of Northwestern University who will appear on the program.

The presentation of letters will be augmented by several other awards, some of which are new this year. Notable among these presentations will be the certificate to the National Athletic Scholarship Society. This society is organized for the purpose of stimulating scholarship among high school athletes. Eligibility for membership is available to any boy who makes an athletic letter in one of the four major sports and whose grade average for three consecutive semesters is equal to or above the general school average.

Palatine Constables Clash, But They Are Still Good Friends

Constable George Meyer learned this week that even a constable must look where he is going when he backs out of his driveway and Constable Chas. Folz has learned that his star does not protect his car when there is another constable about.

It all happened on North Broadway street one day this week. Mr. Folz, a

CHANGEABLE WEATHER

1933 has given us the most erratic weather in the senior editor's memory of the past 75 years. January started out with the mildest, pleasant weather and April was the coldest, most disagreeable that we ever knew. Even President Roosevelt and his Democratic congress can't start the usual early spring and the prices of farm products are still too low. May the Lord have mercy on his people and teach us how to prosper.

GLENVIEW

Miss Edna Woods became the bride of Mr. Lyman H. Wilson at an impressive church wedding April 15. Mr. and Mrs. Wilson have returned from a visit to St. Joseph, Missouri and are now residing at 1057 Thorndale avenue, Chicago.

Funeral services were held for the late Mrs. Florentine Krueger of Glenview. At the age of 92 she succumbed to a prolonged illness. The Rev. Mr. P. E. Meyer of the Immanuel Lutheran church officiated.

"The Poor Married Man" was the name of the play presented to the community by the local Legion and the Grove School P. T. A.

The North Shore Riding and Hunt Club Polo team suffered defeat at the hands of the Army champions, the Sixth Corps Area team. Herben Lorber of Glenview is captain of the local team which recently won high honors in Class B.

The Junior Legion nine has responded to the call of spring and has turned out for baseball practice under the coaching of Clifton Brown.

The Third Popular Concert given by the Civic Chorus and orchestra, marked another mile stone in the long road of excellent music brought to Glenview during the past winter. Mr. Jessie Stevens has directed this group for many years and has given the community three splendid concerts this year. The feature number of the recent concert was Act 1 of Flotow's opera "Martha" arranged by Jessie Stevens.

The Glenview Playground League got under way when it accepted lists of members of the different clubs. Actual play will begin very soon. The Lutherans will first place last year with the Catholic team a close second.

Leland Jay Robar, Glenview's juvenile radio performer, appeared in person at an Indiana Theater recently.

The Holy Name Society sponsored a card party recently where prizes for cards were given away to many. The local door prize also created a sensation.

Representatives of the Methodist Ladies' Aid attended a district meeting at Edison Park recently.

The Methodist Men's club were guests of the Congregational group last Wednesday. Captain Westbrook, formerly of the Chicago police, was the principle speaker. Games were played and refreshments served. A large crowd was assembled.

MRS. ALICE LEMKE

Mrs. Alice Lemke was the daughter of Mr. Fred Roehl and the late Augusta Roehl (nee Hansel), was born Nov. 17, 1892 in Niles Center. She was confirmed in the Christian faith, April 8, 1906 by Rev. Detzer. On Nov. 21, 1912 she was united in marriage with Mr. Fred C. Lemke. The union was blessed with three children. She was ailing in poor health from January and the last three weeks she spent in the St. Francis hospital of Evanston, where she died Wednesday, April 19, 5:06 p. m. She is mourned by her grieving husband, Mr. Fred C. Lemke and children, Bernice, Elmer, Willard and aged father, Mr. Fred Roehl; a sister, Mrs. Arthur Guenther of Arlington Heights; one brother, Mr. Wm. C. Roehl of Chicago and a mother-in-law, Mrs. John Lemke; three sisters-in-law; four brothers-in-law; and many relatives and a host of friends. Funeral services were held Sunday afternoon from 2 to 4 o'clock at the home of Mrs. Lemke, 1501 N. Lincoln, thence to Christ Evangelical church of Des Plaines; interment St. Peter's cemetery of Niles Center, Rev. Geo. Goebel officiating.

CARD OF THANKS

We wish to express our sincere heartfelt thanks for the kindness and sympathy shown us in the loss of our beloved wife and mother, Mrs. Alice Lemke.

IT IS A RUMMAGE SALE THIS TIME AT HAGENBRING'S ARRLING ON HEIGHTS STORE Mr. Hagenbring has offered many special sales to his customers, but this week on page 8, he is offering a sale that is something different than the others. He calls it a Rummage Sale and in it he has placed all of his odds and ends and priced them so low that they ought to move quickly. Whether or not you make a practise of patronizing sales at the Hagenbring store, you ought to be sure and look over that advertisement. You will certainly desire to avail yourself of the bargains offered therein.

Local Ping Pong Tournament Success

Surpassing all expectations in attendance and participation a new local event was inaugurated by the M. E. church when it conducted a ping pong tournament in the community hall last week. Sixty entrants made up the opening round, the winners going on to second round matches and the losers entering the consolation tournament. There were twelve entries made for the women's meet. Sixteen doubles teams also were made up from among these seventy-two players. Seats were filled every night by spectators and at times standing room was at a premium.

In the major event J. H. Kincaid was winner after several hard fought matches. He beat Ed. Nelson, S. Pate, Geo. Davidson and W. Vanderbeck in that order to enter the finals. His last opponent was Glen Benson, who also had a hard row to hoe in coming through. Benson's victory over W. C. Hanauer was close, as were his wins over M. Prellberg and Leslie Moodie. The semi-final match with Moodie was the most exciting of the meet, ending when Benson, needing one point to win the deciding game, and leading only by one point, smashed the ball straight down the fairway for a victory.

The final match between Kincaid and Benson presented great contrast between two styles of play. The winner's machine-like returns of hard smashes and easy cuts alike enabled him to secure three games out of four. Other features were Don Hanauer's surprising upset of W. Diederich, Billy Miles' two-game win over Hackbarth, Vanderbeek's win over Sebastian, and his loss to Kincaid. Two other good matches returned Billy Miles a winner over Robert Mueller, and Les Moodie over Don Thal.

In the women's tourney, Bernice Diederich was overwhelming favorite and winner. Her hardest match was in the first round against Merle Meineke. Loraine Nelson marched through all opposition until she met Miss Diederich in the semi-finals. The other finalist was Jean Hanauer who played a fine, conservative game, which carried her far but was not good enough to cope with the speed and accuracy of the champion.

Ed. Adam won the consolation tournament, beating George Kincaid in the final round. His most difficult match was in the semi-finals against Ellsworth Meineke, whose drives and cuts were always dangerous, but who found too much trouble with Adam's cut shots.

Miss Diederich teamed with her brother, William, to play in the doubles matches, but lost in the finals to Ed. Adam and Robert Mueller. The winners played a smooth team game coupled with skill on shots, the first of which was slightly lacking among the losers.

As a fitting climax to the three nights of steadily improving quality in the matches came the exhibition by Max Rushakoff and Eduardo Yap. Smashing shots and beautifully placed returns were dished up for the enjoyment of the spectators. Players who had begun to be complacent about their games discovered that there was still much room for improvement. Mr. Rushakoff won two games of the three played. Both he and Mr. Yap are high ranking players in the Chicago area.

The tournament was a success in every way. Financially it exceeded expectations. Likewise the interest taken in it was far greater than was anticipated. Much credit belongs to the managers, Prellberg, Moodie, and Hackbarth, for their careful and efficient work. All who took part in the various meets are laying plans for a bigger affair when it is revived next year.

Persecuted Races and Religious Sects of Other Days. Wholesale Massacres From Times of the Early Christians Down to the Armenians Told in The American Weekly, the Magazine Distributed With Next SUNDAY'S CHICAGO HERALD AND EXAMINER.

"The Crime of the Century" Catlow Tues.

"The Crime of the Century," with Wynne Gibson and Jean Hersholt in the leading roles, will be the bargain night offering at the Catlow theatre next Tuesday. The film presents a new angle on detective yarns in that the audience is given the solution at the beginning of the story, and are enabled to watch the police in their efforts to solve the crime.

A new screen team will be seen at the Catlow theatre next week Wednesday and Thursday nights when Kay Francis and George Brent appear in "The Keyhole."

The plot concerns a dancer who marries a rich society man who is so jealous of her he engages a private detective to follow and spy on her.

The detective, of a higher class type than the usual private spy, however, is portrayed by George Brent as a personable and charming man about town. He falls under the spell of the dancer's beauty and charm almost from the moment he meets her on the steamer that is taking them both to the Antilles. From that moment the drama takes unexpected twists and turns to a startling and surprising climax.

Pay Francis, as the dancer, is said to have her finest role. Glen-da Farrell and Allen Jenkins supply no inconsiderable fun as a comedy team.
